

Invite Guns of Icarus Alliance, team-based air combat game costs 15 USD, is free

Guns of Icarus Alliance is an expanded and upgraded version of the game Guns of Icarus Online, a team-based online air combat game with dramatic balloon.

Guns of Icarus Alliance is an expanded and upgraded version of the game Guns of Icarus Online, a team-based online air combat game with dramatic balloon.

Not only is the full content of the original game full, Guns of Icarus Alliance also adds a dramatic dramatic co-op PvE experience. In the main game the player will decide the world of the game.

There are up to 4 players on a ship, who is the one who decides the type of weapon to use. Each member on board holds a certain role and can interact with certain tools on board. Guns of Icarus Alliance has a team play, so to win, players must work together with their team or AI teammates to build and upgrade their equipment weapons.

Normally, Guns of Icarus Alliance is priced at US \$ 15 but currently this attractive online game is being offered free of charge by Humble Store on Steam for 48 hours, up to 0 hours on July 29, 2018. If you love the airship game with this hot air balloon, please quickly download it before expiring for free.
