

# Invite the game to go to the exciting Super Meat Boy for \$ 14.99, which is free

Super Meat Boy is an interesting game developed and designed from the Meat Boy game by two developers, McMilen and Jonathan McEntee.

Super Meat Boy is an interesting game developed and designed from the Meat Boy game by two developers, McMilen and Jonathan McEntee.

In the Super Meat boy, the player controls the Meat Boy character in the form of a red square block that overcomes 300 levels, playing all sorts of difficult obstacles to rescue the girl Bandage Girl from Dr. Fetus. This is an interesting game, but it is very difficult, so that the experts must also be 'charcoal'

Super Meat Boy is priced at \$ 14.99 and is currently available for free on Epic Games Store within 2 weeks from December 28, 2018 to January 10, 2019.
