Darksiders Warmastered Edition

In the game, the player plays the role of War, one of the four Revelation knights accused of breaking the Peace Agreement, provoking a war between Heaven and Hell. War is stripped of all power and given the opportunity to return to Earth to seek the truth and to punish those who have harmed him. However, the journey to find the honor of the War faced many difficulties, he faced demons possessing tremendous power and forces from hell.

Darksiders II Deathinitive Edition (\$ 14.99)

In the game, you will transform into Death, one of the quartet of Revelation in the Darksiders series, a force that every living creature on Earth must be terrified. The content of Darksiders 2 takes place in parallel with part 1, when War is punished, Death believes that his brother is innocent so he is determined to find evidence to prove the War's injustice.

Steep Standard Edition (\$ 21.99)

This is a game for those who love adventure sports on the Alps and Denali. Players will be able to show their skills and challenges themselves in many different sports such as paragliding, skiing, skateboarding and wingsuit.

Steep Standard Edition supports both solo play mode and online competition with other players around the world.
