Game 7554 is the first FPS shooter developed by Vietnamese based on real historical facts, Dai Bien Phu victory in May 1954.

Emobi Games produced 7554 in 2011. In the game, players will be able to return to the mighty French resistance of the Vietnamese nation. As Vietnamese Minh soldiers, players will join their teammates to fight against the French colonial army.

The feeling of using machine guns in the game is great, moderate vibration, less jerky helps the player to watch freely.

Currently, Hiker Games has a program to donate 7554 completely free to gamers on the occasion of the 65th anniversary of Dien Bien Phu victory (May 7, 1954 - May 7, 2019) and 10 years of game making. If you like, please quickly download the action game to get this war topic and experience before expiration.

Note: This is the version that has removed the copyright check, not the remake.
