

## Invite to download Overlord II, an attractive role-playing action game for \$ 9.99, free of charge

Unlike other action titles, players will not play the hero in the Overlord II, but play a cruel warlord commanding hordes of minions to attack and destroy the Glorious Empire's civilization.

Overlord II is an engaging role-playing action game developed by Triumph Studios and released by Codemasters. Unlike other action titles, players will not play the hero in the Overlord II, but play a cruel warlord commanding hordes of minions to attack and destroy the Glorious Empire's civilization.

During the Overlord II, the player can choose a tyrant style for his character, Domination (domination, to win people to become servants) or Destruction (destruction, slaughtering everywhere).

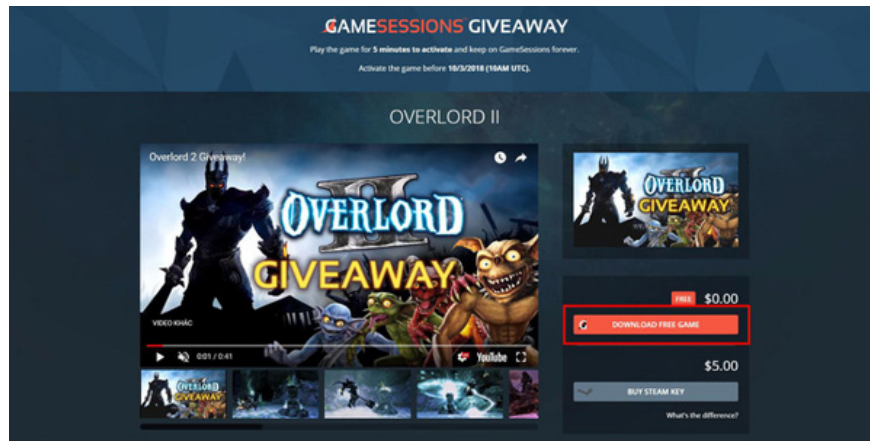

This exciting game is now available for free through the GameSessions system. If you like and want to experience Overlord II, follow the instructions below to be able to own this game for \$ 0.
