Slime Rancher is a first-class farm management game combined with an open world element that gives players exciting experiences.

In the game, the player plays the role of Beatrix LeBeau - the owner of a fairly young and brave farm with the task of building and developing his farm in a strange planet thousands of light years from Earth. In Beatrix LeBeau, you will not have to raise ordinary cattle and poultry but new animals.

After accumulating a large fortune from the cultivation and harvesting of resources on the farm, you need to equip more weapons to carry out hunting trips and discover more wild lands.

In order to complete the mission, Beatrix LeBeau faces daily new challenges unexpectedly.

Graphics in the game are beautifully designed, vivid, detailed giving players interesting experiences.
