Torchlight is a role-playing game inspired by the legendary Diablo II in the context of a fictional town with many caves in the neighborhood.

Torchlight is a role-playing game inspired by Diablo II "legend" with a fictional town with many caves in the neighborhood. In the game, the player takes on the role of one of the people who comes to this place to exploit an ore with mysterious power called Ember. The player can choose one of three characters with a unique skill (Wizard, Gunner, Warrior) to search for treasure in adventure through dark caves. During the game, the player can also receive many other precious items by destroying monsters and solving puzzles.

The characters in the game are hybridized between two different character classes along with the cave system generated by algorithms to create interesting and new feelings for players in each experience.

Currently, the game Torchlight is being given away for free by Epic Games Store near the end of July 18, 2019. If you are interested in this game, you can follow the instructions below to be able to own it without spending any money.
