The latest screenshots show the change of Samsung Experience 10 user interface on Android Pie 9.0 platform on Samsung Galaxy S9 / S9 + and Galaxy Note 9 has been revealed, please admire.

The Samsung Experience 10 package is a combination of Samsung's traditional design style and Google's own design language.

Details of Samsung changes 10 Experience on Android Pie:

1. New, more rounded font system.
2. Notification section with rounded designed icons.
3. The app switcher interface is also quite similar to the original Android interface.
4. The icon of the lockscreen and the home screen is newer and simpler.
5. Add 'Night Theme', dark color mode.
6. Add gesture navigation system.
