

Invite **What Remains of Edith Finch**, a super cool horror game for \$ 19.99, is free

What Remains of Edith Finch is a horror adventure game about the Finch family's secrets that live on remote islands.

What Remains of Edith Finch is a horror adventure game about the Finch family's secrets that live on remote islands. Many people believe that the Finch family was caught in a curse because many members of this family died from a very young age.

In the game, the player plays the female character named Edith Finch. After many years away, Edith decided to return to her homeland. Edith unknowingly gets caught up in the mysterious history of the family with the journey to learn the truth behind the lives of the dead members.

Each story in the game gives players different gameplay experiences. Although there is almost no puzzle element, but with the storyline, interesting gameplay and beautiful graphics, What Remains of Edith Finch still receives many compliments from gamers.

Normally, Edith Finch's What Remains game costs \$ 19.99 but is currently free on the Epic Games store platform until January 24, 2019. If you like and want to experience this fascinating game, follow the instructions below to be able to own the game permanently on Epic Games store.
