

Is it possible to play Animal Crossing: New Horizons Online for free?

There's no telling how fun Animal Crossing is, no matter what your favorite thing about the video game is! However, you may have heard that online features cost money and are wondering if you really have to pay. Or maybe you don't have a Switch and want to know if you can play Animal Crossing in the browser. Since we all know that it's easier to earn Bells (the in-game currency) than real money, we've compiled some answers to questions about whether it's possible to play Animal Crossing online for free!

Can I play Animal Crossing: New Horizons Online (online) for free?

No, but most gameplay features are free. If you want to play Animal Crossing: New Horizons (ACNH) with friends or family far away, exchange your own designs with many other players, or explore their dream worlds, you'll need a paid subscription. online fees for Nintendo Switch. However, you don't need to pay if you just want to play games or install updates.

Can I play ACNH with friends for free?

Yes, you can play multiplayer if you are near each other. In Animal Crossing: New Horizons, there are two multiplayer modes for players who do not have a paid online subscription: Party Play and Local Multiplayer. None of the modes require Nintendo Switch Online (feature set requires subscription), and they all support up to four players at once.

Party Play is a mode for those who want to play Animal Crossing on the same Switch console. You'll need your own controller, but you can play together split-screen. (This is a mode suitable for family members).

Local Multiplayer is a mode for players who have Animal Crossing on their own Switch. You need to be in the same room to play together, but you don't need to share controllers or screens.

How much money is needed for a paid subscription to Nintendo Switch Online?

The fee for one person is from 4 to 13 USD (92 to 299 thousand VND) a month. Nintendo Switch Online lets you play several games online, including Animal Crossing—but it costs money. The paid subscription for one month is \$3.99 or 92 thousand VND (total for a year is \$47.88 or 1.1 million VND); The three-month payment is \$7.99 or 184,000 VND per month (total for a year is \$95.88 or 2.2 million VND); and the fee for the whole year is \$19.99 or (460 thousand VND).

If left as default, the paid subscription will automatically renew. If you do not wish to renew, you will need to cancel auto-renewal through your Nintendo eShop account.

If you use Switch regularly and often play online, choosing the yearly subscription is cheapest. However, if you don't play for weeks or months in a row, a one- or three-month paid subscription (which doesn't automatically renew) might make more sense.

You can also try it for free for a week, but only once.

Can I play Animal Crossing on my PC or Mac?

Are not; There is no PC version of Animal Crossing. Unfortunately, Animal Crossing does not have an official version for computers or browsers. Some third parties have created emulators, but there is no guarantee that they will run games properly or be virus-free.

Are there any Animal Crossing games with free online features?

Have! Don't be too sad if you can't afford a paid subscription to Nintendo Switch Online. The mobile version of Animal Crossing called Animal Crossing: Pocket Camp can be played online for free; just need an Internet connection. If your friend also has this game on their phone, you can add them and play together.
