

Italy's Serie A ranking, the latest Italian National Football League standings

You can track scores, goals, wins, losses ... in Italian football rankings in this article.

Serie A, also known as Seria A TIM do sponsored by TIM, is the highest professional league club level in the Italian football league system. This tournament has been in operation for more than eighty years since the first season 1929-1930.

The Series A tournament is ranked as one of the best, most attractive football tournaments in the world. And often described as the most tactical national championship tournament. The Serie A is behind La Liga and the Premier League by UEFA's Elo coefficient.

Partly also based on the performance of Italian clubs in the UEFA Champions League and Europa League in the last 5 years. Serie A led the UEFA ranking in 1986 - 1988 and 1990 - 1999 with names like Juventus, AC Milan

Here are the latest Italian Serie A rankings, in this Italian football rankings you can know the indicators such as match numbers, number of wins, number of draws, number of losses .
