Just a chicken but a good camera, a good photographer is still as beautiful as ever!**Moreno Monti** and **Matteo Tranchellini** - two Italian photographers photographed the 'beautiful' chickens for their new CHICKen coffee table book.

Spectacular scenery. Art masterpieces are endless. Bright images of "big people".

When you set foot in the coffee shop, you will never open huge books that have nothing to do with enjoying the taste of coffee, right? But what difference does the coffee table book of Moreno Monti and Matteo Tranchellini have? Are they boring?

Below are the pictures in the coffee table book of two Italian photographers. It is designed only to show the beauty of chickens.

Moreno Monti and Matteo Tranchellini want a studio in Milano with a small garden. They wanted some pets, so they decided to buy some nice chickens, chickens - cocincina - not a popular chicken.

When buying chickens, they contacted farmers and the farmer invited them to take a picture of a chicken during the exhibition. Work started from there! They photographed some chickens and found that this animal has an amazing body.

These are fashion images of chickens. Very delicate!

When farmers asked to take photos of chickens, Moreno Monti and Matteo Tranchellini recognized chickens just like the top models. You can see in the pictures below. They are like a star, an actress, a model.

Of course, they are not your dinner chicken. They are intended to watch, to honor the beauty of chickens. Let us see those wonderful pictures!
