

# Just 'chat chit' just entertained with 9 interesting iMessage games

Thanks to iMessage game, you can both play games and chat with friends and family when you use iMessage. Let's take a look at the most interesting iMessage games.

Many users spend time using the iPhone or iPad primarily for texting and playing games. And thanks to the iMessage game, you can both play games and chat with friends and family when you use them on iMessage (not regular SMS). Let's take a look at the most interesting iMessage games.

1. How to send GIF images in iMessage
2. Instructions for inserting unique stickers into messages on iMessage
3. How to customize the iMessage application tray on iPhone and iPad

## How to install and play iMessage games

To play games on iMessage, first open a conversation with your friends, then select the Apple Store icon in the bar below the message box. This will bring up games, stickers and more that can be used on the Message app.

Find the application or game you want to use and install it as usual. After installation is complete, this game will appear in the bar with the App Store icon. Select the icon to start playing. Your friend also needs to install the same game on the iPhone or iPad. Playing games is just one of many great uses of iMessage.

You don't need to bring a chess set every time you want to play, now you can play right on iMessage with your friends anywhere. The game is designed only for two players but you can play with multiple people at the same time via different messages.

The game has many different themes for you to choose to help lighten the board. When deciding on the next step, you don't even need to open the application because it can be viewed right in the message bubble.

This is another two-player game on this list. Moji Bowling is a fun bowling game, real-life wooden balls and ki. It even taunts you when you don't spill it.

Even if friends can't play together, you can still practice by yourself. While playing, you can unlock balls, wooden planks, and other wooden flooring theme.

Letter Fridge is a puzzle game, but Letter Fridge is fun and easy to play for all ages. You will start with a number of different letters on the refrigerator. In a minute you need to create as many words as possible with those letters, then compare who made more words.

When playing outside iMessage, you will have many different levels, go through each level by solving crossword with available letters.

If you love billiards, you should not ignore this game. And if your friend is also a bi-addict, it's great because you can play right on iMessage. Before starting the game, you can use this application normally on iPhone or iPad to practice.

If you don't want to play one-on-one, you can join the eight-player tournament. While playing, you can earn money to buy unique beer balls.
