

# Latest AFK Journey Code

AFK Journey is a fantasy RPG game that takes players to a magical world. To adventure through the brilliant golden rice fields of Wheatshire, players need to change the AFK Journey code, move Encourage more friends to act.

The AFK Journey Code provides players with a lot of Diamonds, Recruit Tickets and Gold. Players can use them to unlock new characters or buy necessary items and equipment to be more effective in battle.

Instructions for receiving and entering the AFK Journey code to get free champions and items

## 1. Summary of the latest AFK Itinerary Codes

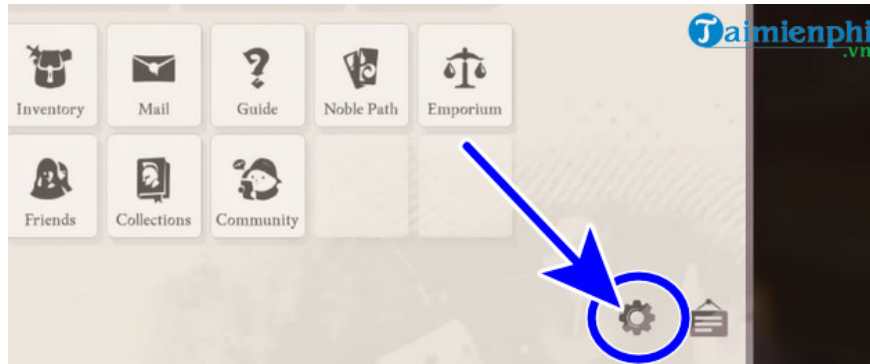

## 2. Instructions for entering giftcode in AFK Journey game

Redeeming AFK Journey codes is not difficult and compared to most other games in this genre, you can do it directly in the game, not in the browser.

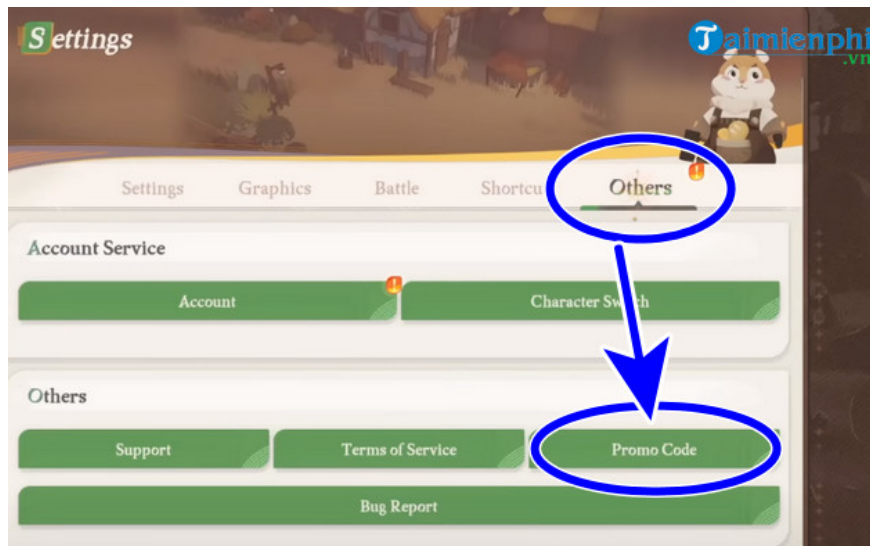

*Step 1:* First you need to open the AFK Journey game, log in to your account and select **the 3 dashes icon** in the lower left corner of the screen.

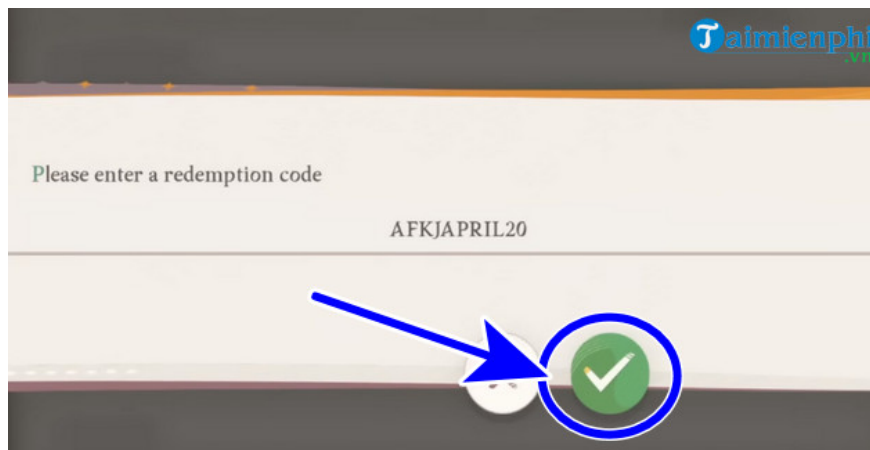

*Step 2:* When the Menu panel appears, go to **Settings** (gear icon)

*Step 3:* In the **Settings** panel , switch to the **Others** tab and click **Promo Codes** .

*Step 4:* Now you proceed to redeem each gift code, **enter the code** and select **the green tick button** .

- If the code still works, the reward will appear on your screen, now you just need to touch any location.

### *Outstanding features of the AFK Journey game*

- Open world strategy mobile game with light capacity, easy to play
- Picturesque interface, interesting storyline and beautiful graphics
- Huge magical world, 6 factions to reveal hidden secrets
- Lots of events, gifts and free generals
- Hands-free gameplay, quick upgrades with just a few clicks
