## How to enter Anime Ball code

**Step 1:** The game code is available, players can enter it by selecting the Code icon in the upper left corner as shown below.

**Step 2:** Enter the code into the code exchange box (type code) and select Redeem to exchange the code for a reward.

**Step 3:** If the code is still valid, you will see the Success message displayed in the code input box. Besides, you will also see the amount of money added in the corner of the screen.

## Where to get more Anime Ball codes?

1. **Social networks:** Of course, game developers often release Anime Ball giftcodes at specific or random times. They can release codes on holidays and special occasions such as games with a large number of players, collaboration events with famous characters, game updates with new content.
2. **Event game:** Besides the given codes, players can participate in tasks in the event to get rewards. These rewards can be added to your inventory when you complete a mission or given in the form of a giftcode and let you enter the code to redeem the reward.
3. **Streamer:** Streamers also often have separate game codes that the game publisher gives them to give to players. Giving away codes from streamers will help the game attract a larger number of players and viewers.

Saving this website and following it every day is also a way for you to get the bonus code. If you use Google Chrome or Coc Coc on your computer, you just need to save this website on the bookmarks bar by selecting CTRL + D to save it on the bookmarks bar. If it's on mobile, leave a tab and check every day.

## What if the code cannot be changed?

If the code cannot be redeemed, that is when the code you entered has expired. Game codes often have a shelf life, and especially Roblox game codes have an even shorter shelf life. So please enter all the codes when you receive them in your hand to exchange for in-game rewards at the same time.

Another reason is that the game code must be entered correctly and with each character. Fortunately, Roblox game code is often specific words. So if you cannot copy the code in the code table above, please enter each code letter correctly to redeem the reward.

## What is Code Anime Ball?

This is a code consisting of characters that players can use to redeem rewards. You can get Yen, which you can then spend on skills and weapons in the game. Game codes may appear during holidays, if you want to be the first to know when new codes are available. Please save this page of TipsMake.com and check back every day to receive the giftcode. Don't forget the Blox Fruit code and Blade Ball code if you regularly play games on Roblox.
