## Brief introduction to Thai Hu Tam Quoc

Thai Hu Tam Quoc takes the Three Kingdoms universe as the main content foundation to develop the plot. Therefore, famous generals and heroes such as Trieu Van, Lu Bu, Quan Vu or Diao Chan, Dai Kieu will all appear in this product. However, compared to most products with the Three Kingdoms theme on the market, Thai Hu Tam Quoc becomes more special in the graphics section. The most outstanding is the character design when our warriors are completely shaped based on the trendy 2D Anime style.

Through Thai Hu Tam Quoc, gamers can explore unique features such as:

1. Extremely attractive multiverse reincarnation mode
2. 100+ Three Kingdoms generals, countered by system.
3. The weather in the game changes in real time.
4. Diverse PvP and PvE playgrounds.

5. Characterized system, massive storyline.
6. No deposit required, still receive super great gifts.
