## How to enter Edward the Man-Eating Train code

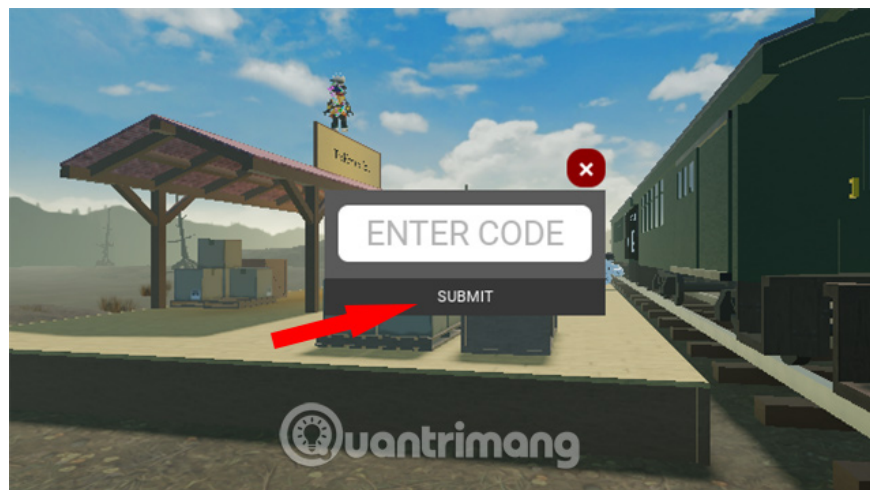

To receive free items from the game, players need to follow these steps:

**Step 1:** Access the game Edward the Man-Eating Train

**Step 2:** Click on **Codes** on the main interface.

**Step 3:** A small window appears, enter the game code in the blank box and **press Submit**.

**Step 4:** After successfully entering the code, a successful entry message will appear, the item you receive will also be automatically sent to your game account.

## How to get more Edward the Man-Eating Train codes?

You can get more new giftcodes by following the game developer Fridge Pig Studios account through two social networking platforms, Twitter and YouTube. If you do not have time to regularly follow the above channels, you can save this article to easily update new game codes. TipsMake.com will continuously help you check and update the latest codes of this game.

## Why is the Edward the Man-Eating Train code not changeable?

There could be several reasons why the game code cannot be redeemed. The first reason is that these codes may expire and you can no longer claim the free rewards. Always update and redeem the code as soon as possible from the new code list from the developer.

The second reason is that these codes may have missing punctuation or incorrect characters while you are typing. To confirm the confirmation, you just need to copy and paste the code from the code table list above to avoid entering the wrong code before clicking the Redeem button to redeem the gift from the giftcode.

Hopefully through the codes that TipsMake.com brings you will have an enjoyable time with Edward the Man-Eating Train
