

Latest iOS 14 wallpaper

This is the latest iOS 14 wallpaper, including iOS 14 wallpaper for both Dark Mode and Light Mode, please download and experience.

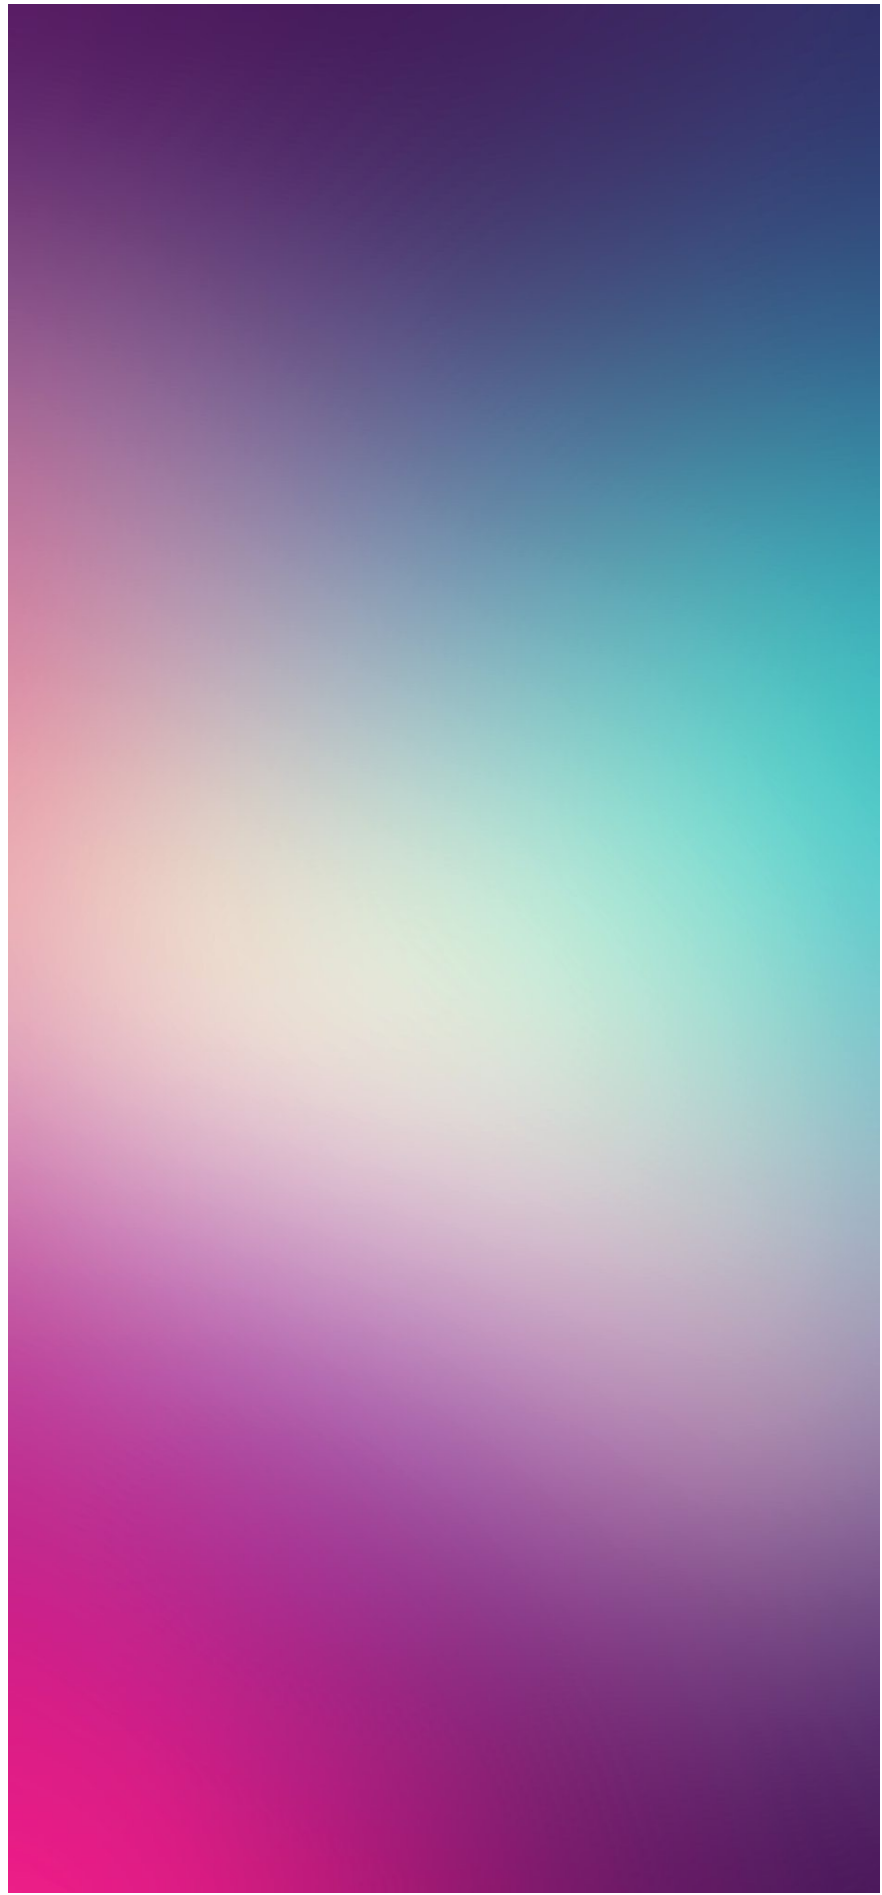

Apple introduced iOS 14 and iPadOS 14, macOS Big Sur, tvOS 14 and watchOS 7 during the WWDC 2020 event. Apple later released iOS 14 beta for developers. Meaning we will have iOS 14 wallpapers to set for our machines.

As usual, each new version of iOS brings exciting new features and besides, the wallpapers are equally important. Because it is a feature that makes it easy for users to know which version of iOS version it is.

The iOS 14 wallpaper set below is available for download and it has two regular versions and Dark Mode like iOS 13. The automatic switch to light or dark version when you change the dark mode on the iPhone. But that's only when you update iOS 14 and have an official image list in your settings.

As for the wallpapers you download below, they're still in the album and you'll have to set them manually when switching between dark mode and light mode. Download and test to see how iOS 14 wallpaper on your phone.

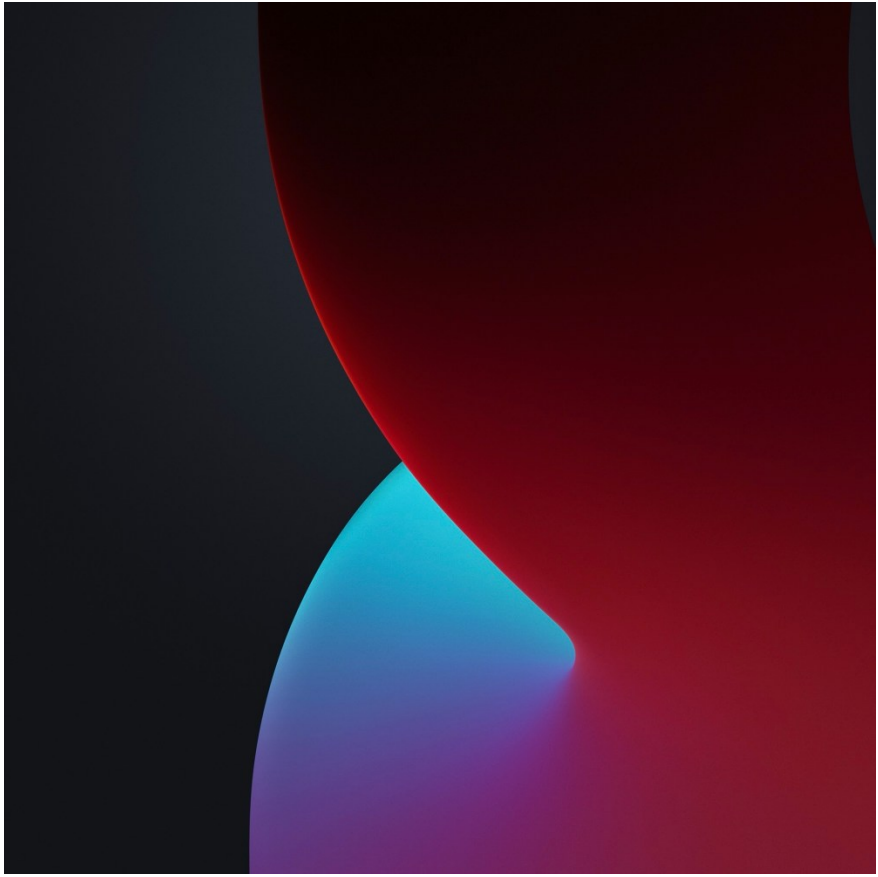

Download iOS 14 wallpaper, iOS 14 Wallpaper

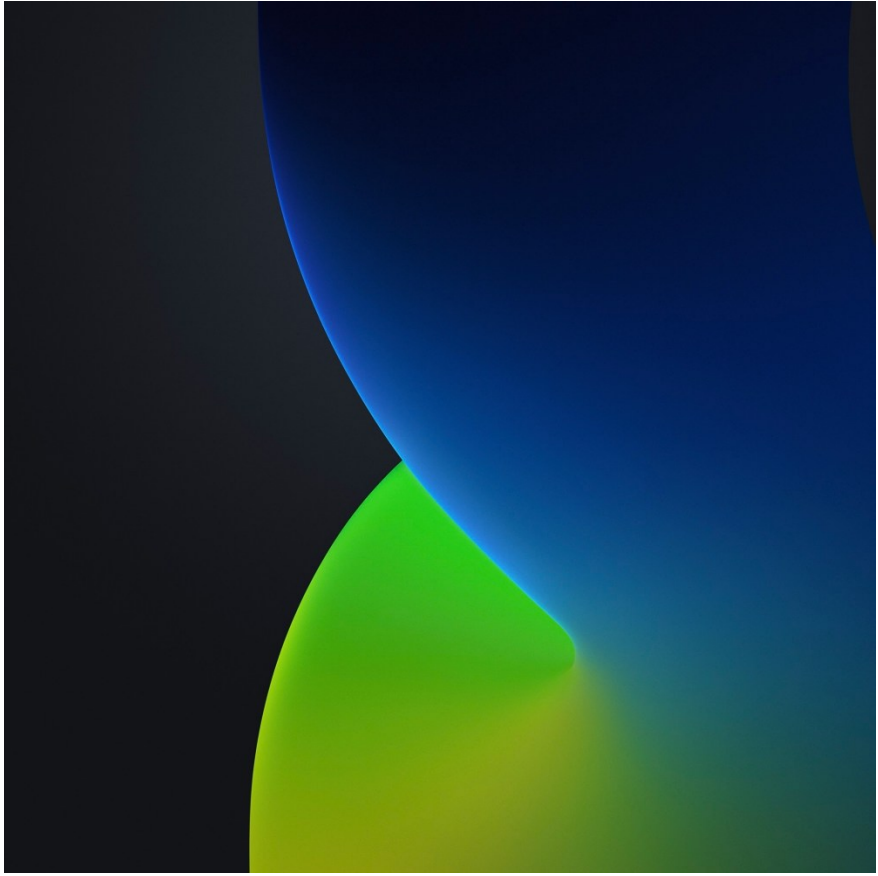

With the first wallpapers you see above, they have a better frame rate and it's for small iPhone models like iPhone X, iPhone Xs, iPhone Xs Max, iPhone XR, iPhone 11, iPhone 11 Pro and iPhone 11 Pro Max.

And below, this wallpaper ratio is made more square to fit the iPhone models with 16: 9 screen ratio. These are the 4.7-inch iPhone models (from iPhone 6 to iPhone SE 2020) and 5.5 inches (from iPhone 6 Plus to iPhone 8 Plus).

You can click directly on the wallpaper above and download it to your phone.
