How to enter Magic Hero code to redeem gifts

Step 1: As soon as you first enter the game, complete the initial mission, then select the avatar icon in the upper left corner of the screen after you have completed the initial mission.

Step 2: Select Gift CD-KEY and enter all the codes in the code entry box on the right and select Claim to exchange the codes for rewards.

Step 3: If the code is still valid, you will receive rewards corresponding to the giftcode.

Where to get more Magic Hero codes?

Just save this page in your bookmarks bar and check back every day. Select CTRL+D if you are using Google Chrome or Coc Coc, and just check back every day because we will update the code continuously.

Or if you are using social networking applications such as Facebook, Instagram, X or similar social networks, please follow the official page of game developer Tojoy Game. They will update not only the game code but also game information such as updating new game content, events with game code as rewards, server changes.

In addition, the player community is also where you can receive codes. The player community above will help you get new codes, new upcoming content and new events.

Some notes about game code

Each game code will provide different rewards and can only be used once per account. You must enter each code correctly to redeem the corresponding reward. If you enter a code and receive a notice that the code has expired, please leave a comment below to help us add them to the list of expired codes.
