The tasks in Play Together can help you earn money and items within the mission. They can also allow you to earn diamonds at various activity milestones in the game.

With money, you can buy pets or furniture to decorate your house. Besides completing tasks, you can also receive rewards via codes, also known as coupons. Below are the latest Play Together codes and instructions on how to enter them.

Since Play Together on iOS doesn't have a code redemption button, players still have to enter codes using Haegin's own Play Together code redemption link. Let's wait for future updates to see if Haegin adds this feature to Play Together iOS.
