How to enter the latest Project Hero code

Step 1: Open Project Hero on Roblox, then select the Codes icon right in the main interface.

Step 2: Enter one of the codes above into the code entry box.

Step 3: If the code is still valid, you will see the message Code redeemed appear. Then you should check the reward you just received from the giftcode.

Project Hero codes will contain rewards like money and Quirk spins. The developers are releasing new codes regularly but they also expire quickly. So you should enter a bunch of codes while they are still valid, if any of them expire let us know in the comments below.

To get more codes for Project Hero, you can follow the developers on Twitter and, more closely, their Discord. The creators of the Project Hero game often post updates about the game on their social media, which is when the latest codes are usually available.
