## Where to get more Race Clicker codes?

To get more Race Clicker codes, save this website while using your web browser and reopen it every day and check for new codes. Or choose to save it on the bookmark bar if using Chrome or Coc Coc. Codes are regularly added to the game by the developer, usually in updates with lots of content or on major holidays.

However, to get new codes, you will have to follow the game developer's social media accounts such as **Twitter** or **Discord** . Only on those channels will there be new codes.

# Why can't I redeem the gift from the Race Clicker code, the code reports an error?

There are many reasons why your code may not be redeemed correctly. The most common reason is that they have expired, codes are constantly updated by game publishers for players. This means they are not available for a long time.

Another reason is that you entered the wrong code, Race Clicker codes usually have lowercase and uppercase characters and sometimes numbers. So many of you do not know and enter a series of lowercase or uppercase characters, so it is best to copy the code above and enter it in the code input box.

## What is Race Clicker game?

As a racing game on Roblox, different from RPG or anime-inspired games like King Legacy , All Star Tower Defense . You will speed up your character by clicking as fast as possible.

You will have to race against others to see if they can finish the race before time runs out. The goal is to win to increase your speed and allow you to buy unique pets that will increase your stats and help you succeed.
