Check the gift received from giftcode Resortopia

Step 1: To check the received gifts, look at the in-game currencies such as cookies and candies in the upper left corner. As for items, check the bag icon on the toolbar.

Step 2: In Backpack you will see three tabs: items, chests and gems.

What does Resortopia code usually have?

Resortopia codes often have currencies such as cookies, candies and many other items for players to build their resort. Unlock new content and welcome more guests to your resort.

Is there a limit to the Resortopia Giftcode?

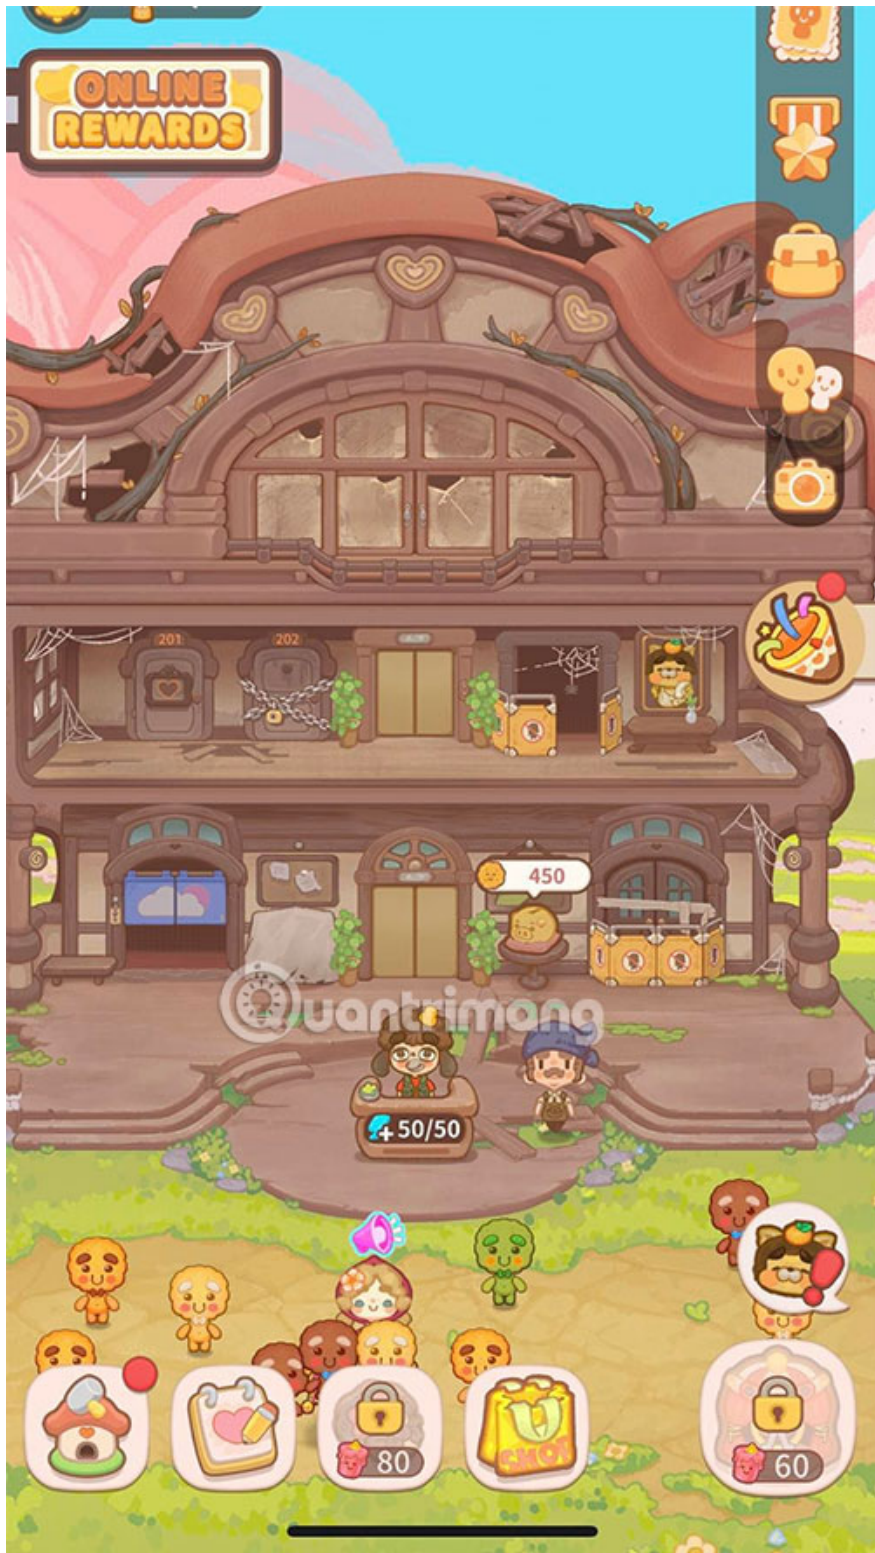

Resortopia codes are usually time-limited, codes like this usually expire in a few days or weeks. So you should regularly follow this page by pressing CTRL+D to save it on the bookmark bar or leave it in a tab and check back regularly. Note that each code must be written correctly in lowercase and uppercase to be valid.

Where to get more Resortopia codes?

As mentioned above, you can choose CTRL+D to save this website and then check back every day to see if the publisher provides more codes for players. Or follow the game's official fanpage to see new events or codes every time the game publisher updates new content in the game.

What is Resortopia game?

As mentioned above, this is a service management game and you will be "given" a hotel or resort or something when you start. But it is not 5-star and splendid as imagined, but looks very shabby.

Your job is to rebrand and create a stable source of income for this hotel by creating additional beauty and entertainment services in your area. You can also open more hotel rooms to earn more income.

Once you have spruced up your hotel, you will move on to other types of services that are similar.
