## How to redeem Shift codes Borderlands 4

There are two ways to redeem **Shift codes** in *Borderlands 4*. The first is to use **the in-game Shift system**, which you can find in the game's start menu or by pressing 'Esc' on **PC**, or the menu/start button on a controller.

Select '**Shift**' from the options list to open a new window where you can see your **Shift** account, friends, support and rewards. Go to the rewards tab and enter the code.

If you want to use a new Shift code but don't want to launch the game, don't worry. You can also redeem *Borderlands 4* Shift codes on the Shift official website.

If this is your first time using this method, **you will need to set up a Shift account** and link it to your account on the platform you are playing on. Shift codes can be redeemed in the 'reward' tab on the left menu on the official site.

If the code is valid, you will see the reward in your inventory. In the case of a Shift code for a Golden Key, you can see it in the "backpack" tab in your inventory, listed with other currencies in the bottom right corner of the screen.
