Instructions for entering Shindo Roblox code

Quick start Guide

1. **Step 1:** Right in the main interface, select the red up and down arrows in the upper left corner until you see the Edit tool.

- Step 2:** Select the Edit tool, in the Edit interface you will see in the upper right corner there is a Youtube icon and next to it is a code input box. Just enter codes that are still in use in this black code entry box, if the code is still in use

Specific instructions

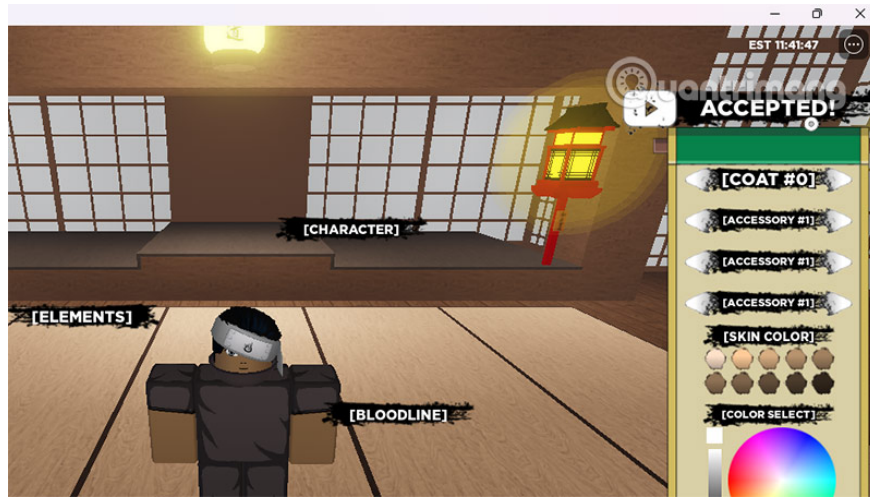

Step 1: First select the up and down icon in the game features list in the upper left corner. Here there will be modes such as Play, Game mode.

Step 2: In the Edit interface, you will see in the upper right corner there is a code input box in which the Youtube Code will initially be filled in as shown below.

Step 3: When you see the Accepted message displayed, it means you have received the reward corresponding to the giftcode. Please enter a series of valid codes above into the code entry box to redeem rewards and select Complete Customization in the middle below the screen to enter the game.

Why can't I enter the Shindo Life 2 code?

There are many reasons why the Shindo Life 2 code is not working, the first reason could be that you entered an expired code. This reason is the most common reason not only in Shindo Life 2 but also many other games that

have the feature of entering codes.

Lý do khác là bạn đã nhập sai code, trong trường hợp không sao chép code ? trong bảng code bên trên mà phải nhập từng ký tự code ?? ?i th?ng. Thêm nữa, code Shindo Life 2 ch? ?i ???c m?t l?n, n?u b?n nh?p code ?ó m?t l?n n?a thì h? th?ng s? có thông báo b?n ?ã nh?p code r?i.
