STRINOVA22	Get in-game currency, weapon skins, character costumes, EXP cards.

## How to redeem code for rewards

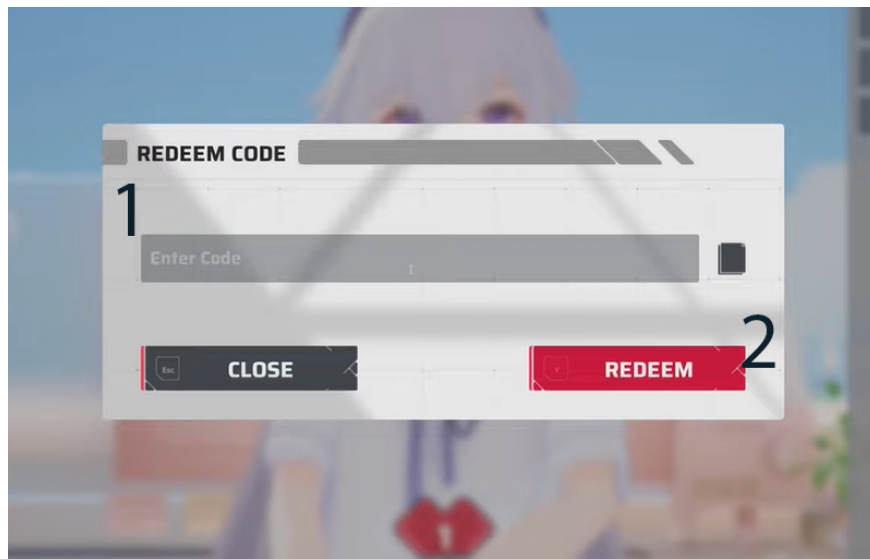

**Step 1:** In the main interface of the game, select the Settings icon (gear) in the upper right corner as shown below.

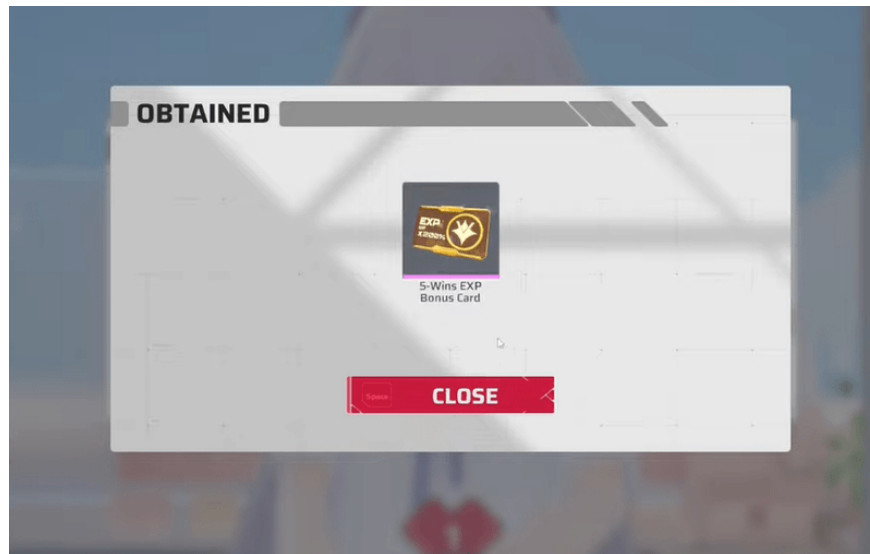

**Step 2:** Select Redeem Code in the Settings feature list.

**Step 3:** Enter all the codes in the code table above into the code redemption box (1) and select Redeem (2) to redeem the code.

**Step 4:** If the code is correct and still valid, you will see the reward displayed immediately.

## What is Code Strinova?

Strinova codes are alphanumeric codes that contain free gifts that the developer offers to the gaming community. These codes do not require you to spend anything, nor are they related to any in-game purchases. This is the fastest and best way for players to get extra rewards to support their gameplay.

## How to get more game codes and redeem rewards?

We will update codes regularly for you, please save this page of ours. TipsMake.com.com not only updates codes for games on Roblox but also updates many mobile game codes for users to redeem codes for rewards.

Save this page in your browser bookmark bar and check back every day. You won't miss any game codes if you check the codes more often.

Currently, the game is only available on PC through the Epic Games Store and Steam distribution platforms. The mobile version of Strinova is expected to be released in 2025, so the code redemption on the PC version may be different from the version.
