Instructions for redeeming codes for rewards

Either the Character Avatar, or the Benefits feature or in Settings. You will find the code exchange table in one of these 3 features. The code exchange feature for rewards can be Redeem Code/ Giftcode/ Redeem Gift/ Redeem Code. Select the code exchange feature to open the code table, enter all the codes in the code table above to exchange the code for rewards.

Check the reward again after redeeming the giftcode

Once you have redeemed the code, the game will send the giftcode redemption letter to your Mailbox. Check your Mailbox right below your character's avatar, you will immediately see the letters sent from the game developer.

This will include giftcode letters, notification letters, event reward letters. In case you get a reward after entering the code, check your inventory (Bag).
