

# Instructions for entering code ?????? to redeem rewards

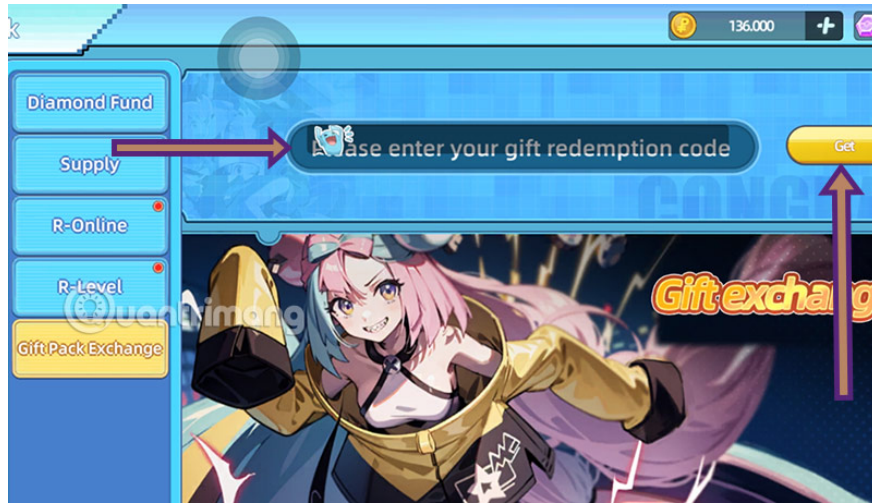

**Step 1:** To exchange codes for rewards in the game, you need to level up to rank 20. Only then will the Welfare icon display the code entry feature.

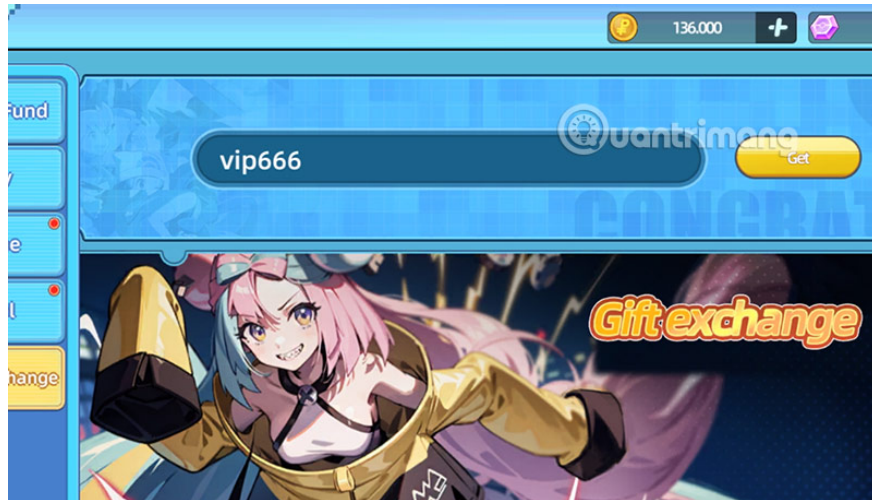

**Step 2:** In the Welfare feature, select Gift Pack Exchange.

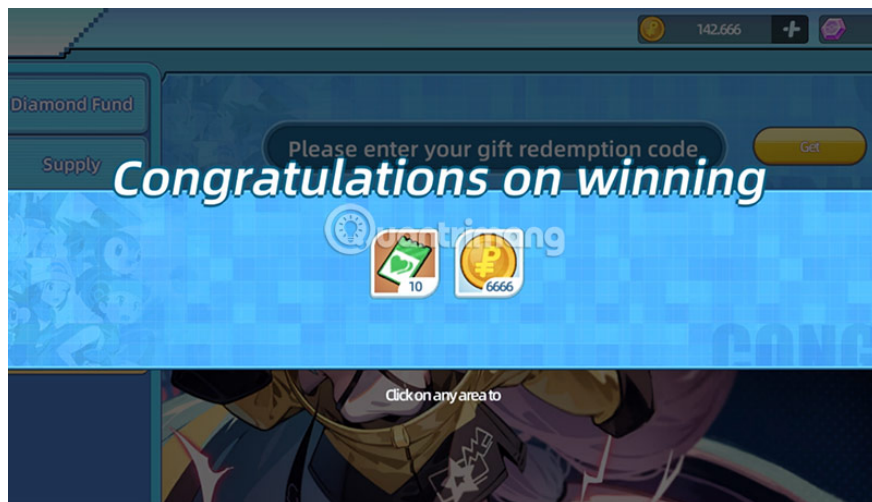

**Step 3:** Select the code entry box, enter all valid codes in the code table above and select Get to exchange the code for free.

**Step 4:** Note that you must enter the correct characters of the giftcode to be able to redeem the code.

**Step 5:** If you see a notification with a reward displayed as shown below, you have successfully redeemed the code.

## Where to get additional Baokemeng game codes?

Because the game will release game code randomly and without notice, please save this page of TipsMake and check the game code every day. Although random game codes do not have a specific release time, on holidays, in-game content updates or on special occasions, the game publisher may give away codes to players.

Therefore, following the developer's official website or the game's official social network will help players not miss any game code.

## Why can't you change the code?

If the code expires, you cannot redeem that code for rewards. The code needs to be checked regularly so you don't miss any codes. As mentioned above, game codes can be released randomly in addition to special occasions.

Another reason is that you entered the wrong code, the game code may be case sensitive. So please enter the correct characters, it is best to copy the code in the code table above and paste it into the code input box. In addition, when you redeem a code twice, you cannot receive that code reward a second time.
