

'Laugh out of tears' with a series of muddy Annabelle humorous humor

Check out the series below, not knowing whether to smile or love Annabelle.

After nearly a week of premiere, the movie Annabelle 2: Creation (Making the Devil) is storming and receiving the attention of numerous movie-goers, especially those who love horror movies.

Walking around in a circle, we can see people talking about this movie anywhere. Annabelle's comeback is so excellent, Annabelle is challenging every hardest heart.

While 'hard-hearted' hearts are rushing to the theaters, to experience Annabelle's scary prospect, on social networks, the 'giblets' are competing to make muddy photos to joke Annabelle. No matter how frightening and serious things are, it is humorous when it comes to handing out holy images, bringing joy to everyone around. If you don't believe it, we have collected some funny pictures about Annabelle. Make sure the movie is finished, it is very scary, when you see these photos, you have to laugh, and the images of that doll become funny again.

1. Annabelle is a public person, a celebrity, when she appears how can she leave this face, must use photo editing software to help this doll more confident.

2. This is what you always wonder when dolls become the subject of exploitation of horror movie writers. Doesn't this world lack more beautiful dolls? Why didn't the devil choose to renders Barbie, Ken, or even Hello Kitty? Why haunt the doll with this ugly beauty?

**CÓ HÀNG VẠN CON BÚP BÊ XINH ĐẸP
TRÊN THẾ GIỚI**

**VÀ ĐÁM MA QUỶ LẠI NHẤT QUYẾT
CHỌN ÁM CON NÀY...**

3. The phone screen keeps up with the current trend, but at 2am in the morning, seeing this Annabelle screen is completely dead, I will lose sleep.

4. It is true that Facebook is beautiful. When the selfie is 'virtual pan pan' suffering, no one wants to like it, it's time to tag friends with names, smudged, ugly face is people like each other drop like, with heart.

5. Annabelle is just a girl, so she needs a lover. But when you meet a boy, you need to be pretty. So when staying at home with the road will be two other people completely.

6. The legend of a more intimidating, thrilling Annabelle doll was not put on the film, so if only watching the movies, the audience could not understand the scary doll. Annabelle ghost doll has long been one of the most frightening figures in the history of horror movies, with a large gray face, wide open eyes and a bizarre grin. However, Annabelle is not a complete film-making product, but this doll has appeared in real life, and when it is put on film the directors have skipped many thrilling stories about the calendar. Its history. Annabelle was originally a doll owned by a nursing student named Donna, who was given a doll by her mother on her birthday

after she bought a second-hand shop in the year. 1970. Legend has it been named after Annabelle Higgins, a young girl who died of a traffic accident.

7. If Annabelle is a normal doll like many other dolls, then perhaps it will be boycotted by the Toy Story village . by her beauty.

8. When Anna and Belle come together. Unfortunately, this is a combination . not perfect.

9. Most of the dolls have one thing in common is, no matter how beautiful it is, it itself has its own . scary .

KHI NÀNG NÓI MÌNH THÍCH CHƠI BÚP BÊ...

10. In this phase, no one will save Beo.

Have fun!
