

Lazy people are not always useless

We often think lazy people are often useless. But not everyone is like that. To prove this, please see the photos below.

We often think that lazy people often don't do anything, just eat and sleep. However, not all lazy people are like that. Although they can only eat and sleep, they can still do it effectively. Bill Gates once said: "*I choose a lazy person to do a hard job. Because lazy people will find the easiest way to get things done.*" So laziness is not always bad, how important it is to be lazy. To prove that Bill Gates' words are true, let's look at the photos below to see how lazy people work.
