Not only characters with human figures, even animals are also transformed into creatures with unimaginable abilities in the universe of Marvel.

Marvel Comics has built its brand around evil heroes and villains with special and supernatural powers. But not only are the characters in the shape of a human, even animals are also artists transformed into creatures with unimaginable abilities in the universe of Marvel - even stronger than the Other heroes! Therefore, today we will take a look at the 10 strongest animals of the Marvel comics world.

## 10. Zabu

One of the first Marvel characters was a fake version of Tarzan called Ka-Zar. Raised in the Savage Land, Ka-zar has a Zabu sword-tailed tiger. Like other creatures here, Zabu is shaped like a mighty "warrior".

Ka-Zar, despite possessing a good fighting skill, was unable to match Zabu's belligerence. Thanks to Zabu, he can be safely protected in this dangerous land called Savage Land.

## 9. Hit Monkey

A talented fighter stabbing hire sounds like a title of Deadpool or Winter Soldier, but is extremely suitable for a small monkey named Hit-Monkey.

After being a powerful assistant for a secret assassin for a long time, Hit-Monkey has gained himself many skills and tricks to be able to separate his "career".

## 8. Rocket Raccoon

Since appearing in the hit film Guardians Of The Galaxy in 2014, Rocket Raccoon has probably become the most famous beast in the comics world. Despite looking like a harmless ferret, Rocket always carries with him a lot of firepower for every possible worst case.

Many of the guns that this ferret carries are also their own designs, testament to the intelligence and danger of Rocket in Marvel's animal kingdom.

## 7. Throg

On an adventure when he was turned into a frog, Thor met Puddlegulp - a frog who lived a human life before being transformed by a Romanian.

When Thor parted with the frog, the thunder god left a piece of the legendary hammer Mjolnir. Upon touching this fragment, it suddenly turned into a tiny hammer and gave Puddlegulp the power of Thor along with the nickname Throg to eliminate evil.

## 6. Spider-Ham

Thanks to many of the most recent and famous stories, the movie Spider-Man: Into The Spider-Verse, we discovered many different versions of Spider-Man. One of them is Spider-Ham, a character developed deep in the Marvel universe.

Spider-Ham is actually a spider bitten by a radioactive pig, turning him into a half-pig and half-spider hero. The entire special ability of Spider-Ham is inherited from Peter Parker, so his strength should not be underestimated.

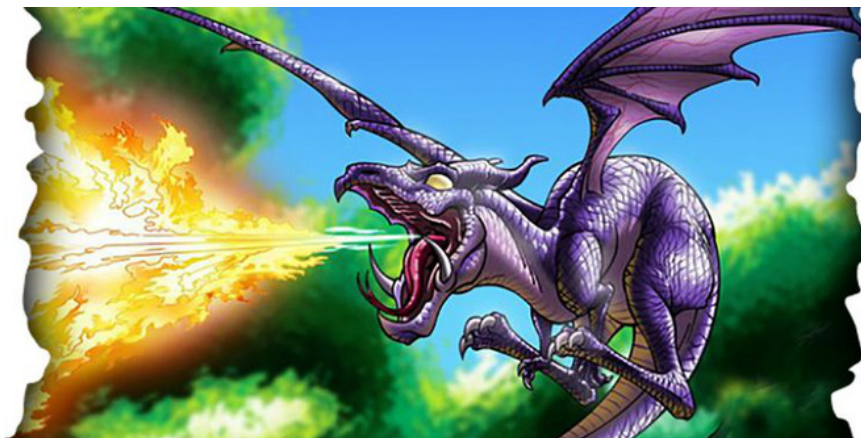

## 5. Dogpool

Like Spider-Ham, Dogpool is a version of Deadpool from another dimension. Deadpools of different shapes and sizes from different dimensions have gathered and formed Deadpool Corps.

Although only a dog, Dogpool actually possesses the same Healing Factor as Deadpool and unexpectedly the ability to master all types of weapons, making Dogpool an indispensable member for the Deadpool Corps.

#### 4. Lockheed

During an X-Men adventure in outer space, they faced an insect race called the Brood. While on the planet of the Brood, mutant Kitty Pryde discovered a dragon-like creature.

After the capture, Kitty named him Lockheed. Despite its small shape, Lockheed can blow out an extremely scary fire and be enough to endanger large enemies.

#### 3. Lockjaw

Lockjaw is the pet of the Inhuman royal family. Like his owner, Lockjaw also possesses special abilities compared to a regular bull dog. With its enormous size, he will surely scare his enemies.

Not only has the extraordinary power and immense size, Lockjaw also has the ability to teleport - both himself and others - across different dimensions.

## **2. Ghekre**

Of the many Wakandans who worship the black panther, a small group of people here revere the gorilla deity Ghekre.

A deity in the form of an animal with white fur, worshipping Ghekre led the White Monkey Society to be expelled from Wakanda's land. Although not as strong as the black panther, Ghekre is still a formidable opponent.

## **1. Bast**

Bast is undoubtedly the strongest creature in the Marvel universe. Not only was he a god like Ghekre, but Bast was also an ancient goddess of Africa. The people of Wakanda during the Bast era were their guardians. King T'Challa, who took the title of Black Panther also thanks to the image of this female newspaper.

Bast possessed strength far beyond Ghekre, and certainly if blessed, having Bast in battle would surely guarantee a glorious victory.
