

## Left 4 Dead 2

Left 4 Dead 2 has received a new update after 11 years and is completely free on Steam until September 28, 2020, so players should quickly download the game.

Set in a zombie-infested apocalypse and a top-rated co-op game of 2008, Left 4 Dead 2 (L4D2) is the highly anticipated sequel to Left 4 Dead.

This action-packed horror FPS game will take you and your friends through cities, swamps, and cemeteries in the Deep South, from Savannah to New Orleans, across 5 expansive campaigns.

In Left 4 Dead 2, you play as one of four survivors, equipped with a range of classic and advanced weapons. Besides guns, you'll also have the opportunity to engage in some aggressive action with various melee weapons, from chainsaws to axes and even frying pans.

AI Director 2.0 takes Left 4 Dead's frantic, action-packed gameplay to a whole new level. This improved feature not only adjusts enemy population, effects, and sounds to suit the visual presentation, but can also change the in-game weather.

Left 4 Dead 2 promises a satisfying and uniquely challenging experience every time you play, customized to suit your play style.

## What makes Left 4 Dead 2 unique?

1. The next-generation co-op action game inspired by Half-Life, Portal, Team Fortress, and Counter-Strike.
2. Over 20 new weapons & items, including more than 10 melee weapons – axes, chainsaws, frying pans, baseball bats – allow you to get close and take down hordes of zombies.
3. New survivors. New stories. New dialogues.
4. Five expanded campaigns for cooperative, Versus, and Survival game modes.
5. A brand new multiplayer mode.
6. Each of the five new campaigns contains at least one new type of zombie.
7. AI Director 2.0: The advanced technology dubbed 'The AI ??Director' has fueled L4D's unique gameplay: customizable enemy populations, effects, and sounds based on player performance. L4D 2 features 'AI Director 2.0' which allows customization of level layouts, world objects, weather, and lighting to reflect different times of day.
8. The statistics, ranking, and reward systems encourage collaborative gameplay.
