Weighing 1.6 kg, Lenovo IdeaPad U350 runs on Pentium SU2700 processor with 1.3 GHz speed, GMA 4500M integrated graphics card, 4 GB DDR3 memory and 320 GB hard drive. The machine is not equipped with an optical drive.

The mirror-screen laptop uses LED backlit technology, the resolution is 1,366 x 768 pixels, multi-touch touchpad, 1.3 Megapixel camera supports microphone, stereo external speakers. Lenovo also has Dolby Home Sound Room audio technology for the U350, the highest standard Wi-Fi, Bluetooth, Gigabit LAN, 3 USB lines, 4 in 1 memory card and HDMI and VGA ports.

Lenovo said, the machine has a 4-cell battery, using time about 5 hours. U350 is less than 1.8 cm thin, the surfaces are beautifully designed. IdeaPad U350 uses Windows Vista Home Premium 32-bit operating system, the price on Lenovo's site is 679 USD.
