

# Lie, joke April Fool's Day for April 1 adds fun (Part 1)

Surely you were once the 'victim' of these weird April Fools jokes right?

April Fool's Day is the only day of the year that allows us to lie comfortably without fear of affecting anyone. In this day the lies are almost harmless and mean only to bring joy and laughter. So in this April's fishing day if you have not thought of any interesting lie, you can refer to some of the following lies of TipsMake.com have collected, surely you will do for everyone feel happy, surprised and confused.

The following lies, though not new, are still effective.

1. April Fools - Interesting origins and meanings you should know
2. 10 interesting April Fools jokes for tech people

## 1. The lie with buttons and buttons

This can be seen as a legendary lie and is widely used by many people. Because rarely does anyone naturally mention these delicate issues if you don't encounter such as "I am a buttoned-up button, or is your window open to the wind". These reminders will startle the victim in a panic and will "check" whether it is true or not? And at that time these people were tricked, and you were bursting into laughter because sometimes innocent poetry became stupid.

## 2. Don't be foolish

1. A joke that quite a lot of girls often trick their lovers into believing their necks, and when they come to receive a bitter ending, they are texting their lover with the content "Are you ak, do you come to my house? Quickly, my family has no one at home, I come immediately" and the boy quickly, immediately took the opportunity, went to the lover's house but saw the gate locked, phoned her lover then received the answer bitter words "I told my family that no one is home". An interesting joke for a lover is not it?
2. A joke is also quite interesting for couples who are in love. "I Will Come Pick You, I Come Together! 3 Minutes You Have A Face. I'm Going To Go!". There was no doubt in the normal statement for a date, in just 3 minutes, she hurried, frantically preparing makeup, lipstick to go out. But in the end there was no appointment, the guy who turned off the phone could not contact. The girl became the "victim" of April Fool's Day (1/4) caused by her lover.

**Note that** contraindicating this joke is only for couples who love each other for a long time and understand each other, and new couples who love it if they try this game will be extremely harmful. The outcome may lead to break up or your lover will be angry. Please pay attention.

### 3. Saying that cherished thing for a girl you like

This is also a good opportunity for you to confess to a certain girl, but you have a long-standing sympathy that you dare not say. It is easy to just say "I love you" to the opponent, it will happen two cases that if she agrees, there is nothing more amazing, you will escape the FA, if she rejects you then you are not afraid to be embarrassed or embarrassed to tell her that today is the April Fool's Day, please be comfortable.

#### **4. Play with the camera**

If those who work in a workplace environment, often have to print documents with a photocopier, take care of them on this April's day by teasing them a bit by sticking a piece of paper, bold on it. Now can be controlled by voice, try it now ". And please wait and see who will be cheated.

#### **5. Turn the toilet paper core into shit**

Surely this joke will scare people and have some unhygienicness. You take the used toilet paper core, then soak it in the water so that the paperboard is soft, you crush it into "feces" to get on the seat or on your desk, laptop. You want to cheat April Fool's Day. Surely this will be an extremely interesting joke.

## 6. Bring sex to make fun of April Fool's Day

Daredevil boys try to confess to your girlfriend that you are Gay? See how she will react to knowing this truth. This confuses you because today is April Fool's Day. You don't know whether to believe this, but at least it makes you feel scared.

## 7. Message, funny post on 1/4

1. "A recent study indicates that  
Only idiots use their thumbs when reading phone messages  
See, it's too late now,  
You don't try to change your fingers!  
Find other idiots "

2. "I am very important to me  
I can't be without you for just a second  
I am my life, and I feel you every moment  
Never mind! I'm talking about oxygen. "

3. "You are the most handsome man on earth  
You are the smartest person in the world  
He is also the most knowledgeable of the earth  
And I'm the one who is spreading those rumors everywhere "

4. "Someone .  
Missing You.  
Need you .  
Worry for you .  
Lonely without you .  
Do you know who  
That's the monkey full of feathers in the zoo . "

5. "Today, tomorrow and forever after  
There will be a heart  
Always wake up for you.  
Do you know whose heart it is?  
That is your stupidity. "

6. "Feeling sad?  
You wonder what to do?  
Too simple. Please pull down the lock .  
Then put your hand in the middle of the lock slot .  
Then grab .  
Book in your pocket and LEARN TO GO !!! "

7. "If you see your life in darkness  
Ask the heavens to free you from the darkness  
If you still find yourself immersed in dark darkness  
Please pay the electricity bill immediately last month! "

8. "Always keep a picture of your lover in your wallet  
Whenever you get into trouble, look at that picture  
You will find that the problem I am facing is just a trifle! "

9. "Since I met you  
I realized that such a good friend  
Worth a million dollars .  
So, if you don't mind .  
Can I sell you? "

10. "If I make you sad  
Stand in front of the mirror and say  
"Oh my god, why am I so handsome?"  
Your troubles will go away  
But don't do it often  
Because all liars are banished to hell! "

## **8. Some other April fish joke**

1. This is for humorous fathers and mothers: When children fall asleep, change their positions like changing beds or changing bedrooms. And your job is to wait until the next morning to see how their reaction will wake up.
2. Change someone's mobile installation language from English or Vietnamese to another language, such as Thai or Arabic.
3. Replace the cream part between Oreo cake with toothpaste, then invite your "victim" to enjoy.
4. Add a few drops of food coloring at the bottom of the cereal bowl. When your target audience puts milk into the cup, they will see a colorful surprise.
5. Put some pigments in the shower to change the water color and skin of the person you are targeting in April Fool's Day.
6. Put a small piece of marshmallows on the ceiling fan, then ask someone to turn it on.
7. Pour the syrup into the hand washing soap container in the toilet.
8. Spread a layer of cheese cream on the ball of the deodorant roller of the object you want to tease.
9. Convert your mobile wallpaper to broken screen.
10. Discreetly put yogurt into the empty Mayonaise jar. Later, when the family sat at the dining table, you pretended to eat Mayonaise and took out a bottle of sauce and waited for someone's explanation why Mayonaise was yogurt.
11. Change your birthday on Facebook to 1/4. When good wishes begin to appear, change your status to "April Fools!".

12. Dip the tip of a colleague's pen ball into the nail polish jar and watch her struggle with the pen that was still in good use yesterday but is now running out of ink.
13. Take a screenshot of your colleague's computer screen and set it as your desktop. Choose to hide all icons on the desktop and see how she fights with the "freeze" screen.
14. Change your voicemail message to "Hello? . Hello? . April fish!".
15. Pour all salt into the sugar jar and vice versa. Next, leave these two spices in the same position. Finally, witness your father brewing salt coffee. If your father gets angry, tell the story of the famous Salt Coffee for Dad to hear. Just happy, meaningful, right?
16. Give someone - your child, for example, has a gorgeous gift box, but inside is something like: potato, toilet brush or a sticky package.
