

Lien Quan Mobile: Top 5 cutest generals of all time

Besides the power factor, the appearance of each general is always a feature that gamers are extremely interested in, so in your opinion, which cards have the most adorable appearance in Lien Quan Mobile?

Lien Quan Mobile is one of the most popular MOBA games today with a huge global gaming community. Besides the strategic fun, the strength of each champion, their appearance is also a strong attraction for players.

While there are many generals who have dashing, muscular, or young 'faces', some cards with lovely appearance, 'cute cheese sticks' are also very popular. So, where are the loveliest generals of all time in Lien Quan Mobile?

Capheny

Although Capheny rarely smiles in the game, she is still one of the cutest League generals. Obviously, in great outfits like Musical Idol Capheny or Maid Capheny, this general exudes a lovely, sweet look, right?

However, don't be fooled by her beautiful figure because the explosions from Capheny are extremely dangerous and can make enemies 'discolor' instantly.

Lindis

Lindis is known as one of the Assassins hiding in the dark of the moonlight but possesses an impressive sweet face. This is a general whose beauty is far beyond the stars and the night sky, so it is always recognized as one of the cutest Mobile Union generals.

Similar to other moba games, the person who harnesses the power of the moon in Lien Quan Mobile - Lindis also has an indescribable bright light.

Yena

Yena will definitely make players 'dazed' when caught up in her deadly dances and blades! As a champion with an enchanting appearance, Yena knows how to attract gamers with graceful but also dangerous combat moves. Some Yena skins worth owning today include: WaVe Flame and Moonfall.

Under the guise of a Gladiator/Assassin general, Yena is always in the top of the loveliest Mobile Union generals.

Relief crew

Fans of Chinese literature must be familiar with Lien Quan Mobile's Dieu Chuan - the beautiful woman who stepped out of the famous 14th century work 'Three Kingdoms Dien Nghia. Her beautiful, charming and equally lovely appearance has been designed very properly in the game.

Dieu Boat comes to Lien Quan as a Mage possessing unparalleled strength with a skill set that can slow down enemies and have a wide range of influence.

Violet

Violet is a very reliable carry and also a popular ADC in Mobile Alliance. The design team "molded" her in her short hair personality and equipped with a pair of pistols, all of which exuded a healthy, dynamic and extremely cute appearance, right!

Once Violet has all the necessary equipment, gamers will experience an extremely powerful champion with bullets that can penetrate even the most difficult characters. Moreover, Violet is also one of the 'heroes' with the most skins in the game, with a total of 13 outfits.
