

Lien Quan Mobile: Valentine's Mission Book with the presence of Lu Bu and Dieu Boat

Mission Book is one of the features that are extremely sought after by Lien Quan Mobile gamers, especially during Valentine's time because everyone is curious about which couple will appear!

Come to the appointment again, every occasion near 'Festival of Love 14/2', the Lien Quan Mobile gaming community is in a hurry, looking forward to see which couple will be lucky to own a Valentine's costume. This year is no exception and the answer is the talented and talented couple Lu Bo - Dieu Thuyen.

Thus, with just over 10 days left, Lien Quan Mobile will enter the second month of 2022 - the month of love for anyone in the world. Sharing this dreamy, warm atmosphere, Lu Bo and Dieu Thuyen will together own a beautiful love outfit in the Valentine's Mission Book.

Similar to previous couples, the girls and boys who come to SSM Valentine all bring a love story in the main plot, such as Hayate - Airi, Murad - Yena for example.

In general, both Lu Bo and Dieu Thuyen have experienced a stable year in 2021 in specific positions. If Lu Bo always completes his tasks well in the Forest and appears densely in the tournament, then Dieu Thuyen is in the top of the "ten thousand people" beauties on Mid Street right now.

Moreover, both of them have in common that they are famous characters of Chinese literature and both possess tremendous power when entering Mobile Alliance. They are the generals that are often brought into the game by couples of gamers in love to show their affection.

It is known that this year, Valentine's costumes will take the main colors of Pink and Purple (two colors that represent the faithful and beautiful love of Dieu Thuyen - Lu Bo). In addition, SSM will also have the presence of Teemee with A-level costumes and available right from SSM's level 1.
