=> Download **Lien Quan APK** here.

2. Lien Quan APK, the best mobile MOBA game of 2023

Lien Quan APK is one of the most famous MOBA games on smartphones. The predecessor of Lien Quan Mobile APK is Honor of Kings, a 5vs5 strategy game developed by TiMi Studios, a subsidiary of Tencent Games. To participate in the game, players need to create an account.

After the resounding success of Honor of Kings in the Chinese market, TiMi Studios released Arena of Valor globally in 2017. Lien Quan Mobile is the Vietnamese name of Arena of Valor when released in the Vietnamese market. Male.

In the game Lien Quan APK, 10 players will be divided into 2 teams, each team consists of 5 players and fight on a large map called Caldavar Arena.

Each team is responsible for protecting the base and attacking the enemy base. The battlefield in the game has three large lanes, alternating with forests and rivers. As soon as the match starts, AI soldiers and players will start moving on 3 lanes to attack the opposing side.

Lien Quan APK has a fairly diverse number of generals. Players will control these generals when playing Lien Quan APK. By the end of 2022, Lien Quan Mobile APK has 113 generals, of which 42 generals are female characters. Each general in Lien Quan APK has a different skill set, including an internal skill, 2 normal skills and 1 ultimate skill, also known as the ultimate move. The gamer's task is to control his general and coordinate with teammates to defeat the enemy.

3. Download Lien Quan APK for PC, Android

Download Lien Quan APK for PC, Android to experience the MOBA masterpiece with:

- Beautiful graphics, unique character designs.
- Diverse number of generals.
- The game mechanics are easy to get used to but extremely attractive.
- Plays well on many different phone lines.
