This is the list of animals in Adorable Home and decorative objects that attract animals in Adorable Home.

The only animals in Adorable Home aren't just cats. You've probably seen other animals visit your home in Adorable Home groups on Facebook or through photos shared on Google, Youtube .

Sometimes dogs, swans, parrots, seagulls, flamingos, frogs . there are many animals that can come to your house unexpectedly. But for them to visit your home, you have to do something for them to come. The instructions below will help you add animals to your home in Adorable Home.

How to add other animals to the Adorable Home

Step 1: First you need to unlock the garden, this will be the place where other animals visit your home first.

Once you have a garden, you also need to buy some other decorations for your garden. From shrubs, trees, statues, seats .

Until the seasonal decorations such as swimming pools, caves of snow . And no decoration is worth more than the fee to unlock the garden.

Step 2: Garden decor will be the key to attract your other pets. Different decorations will attract different animals. For example, the pool will attract ducks, walrus . the pond will have fish, frogs .

Step 3: Usually the animals will not visit when you shop for your garden. They will appear randomly, buy it and leave it there for a while to have other pets to visit you.

Step 4: When they visit, you will see a heart symbol on their heads as shown below. Click on it to get hearts from them. Check the garden or go inside to check regularly throughout the day to see if any pets come to visit your family.
