

List of the most successful Vietnamese games on smartphone platforms

Below is a list of the most successful 'Made in Vietnam' game products ever on the smartphone platform. These are proofs of the ability of Vietnamese Developer to create and produce.

Below is a list of the most successful 'Made in Vietnam' game products ever on the smartphone platform. These are proofs of the ability of Vietnamese Developer to create and produce.

Flappy Bird

Flappy Bird is the most famous game created by Vietnamese people, it has surpassed the territory of Vietnam to become a worldwide gaming phenomenon, conquering tens of millions of people. Meanwhile, this game has a speedy spread on all information channels, causing the global Internet to mention Vietnam Game for the first time.

Regrettably, Nguyen Ha Dong, the father of Flappy Bird, took it down after an unfortunate mess.

You can play Flappy Bird online here.

2048

Although it cannot match Flappy Bird but 2048 has surpassed Vietnamese territory and become a popular game of many people in the world.
