

Looking back on a year on Facebook via video Year In Review 2018

Year In Review 2018 Facebook has officially updated all Facebook accounts to celebrate the past 1 year.

Year In Review 2018 Facebook has officially updated with all users around the world, to review your outstanding memories during the past year on Facebook.

Facebook's Video Year In Review 2018 will record your developments during the past 1 year, changes to your personal page, such as changing your avatar, personal information. Facebook will randomly select some of your photos, or videos, to include in the Video In In Review 2018. Users can use the created video or edit it at their own discretion. The following article will guide you how to create a Year In Review 2018 Facebook video.

1. Facebook icons, special Facebook characters and emoji on Facebook are few people know
2. How to download HD photos, original photos, sharp photos Fullsize from Facebook
3. Guide to making friendship anniversary videos on Facebook

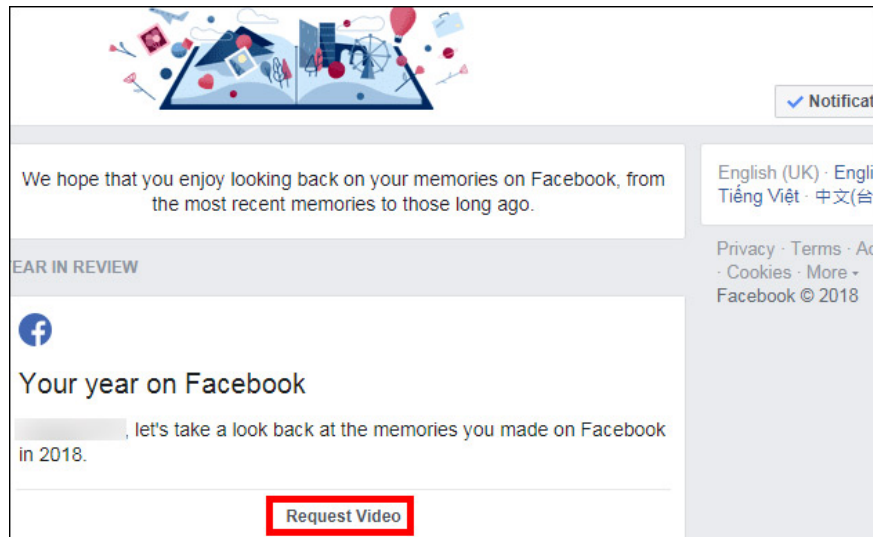

How to create a Year In Review 2018 Facebook video

Step 1:

Users access the link below to get to the interface of creating and editing Year In Review videos.

1. <https://www.facebook.com/memories>

In case the video is not displayed, press **the Request button** to Facebook to send the video to you. When there is a video we will receive a notification.

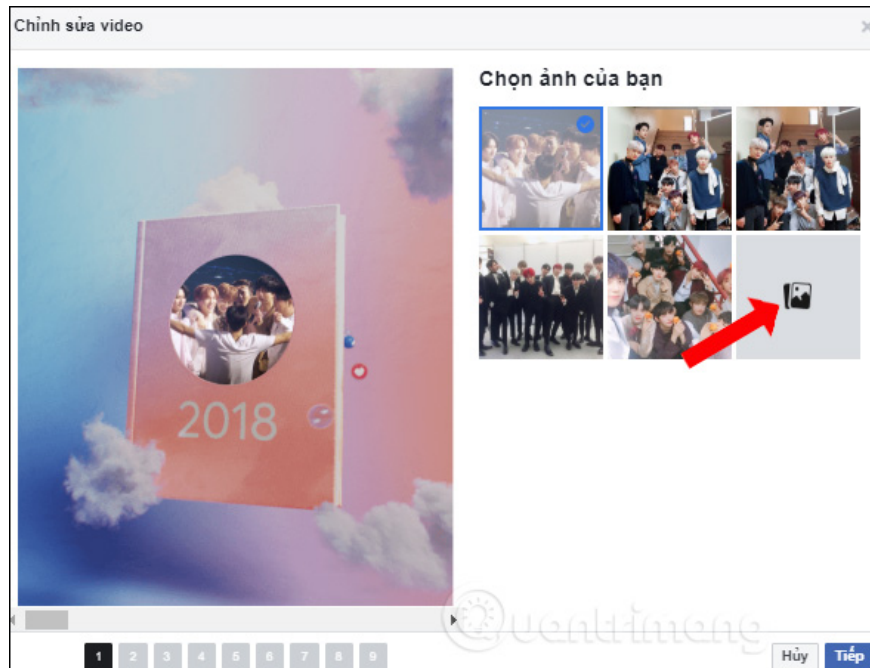

Step 2:

The video will always be in Only Me mode and the Share button to upload to Facebook timeline. To edit the video again, click **the Edit button** in the right corner of the video.

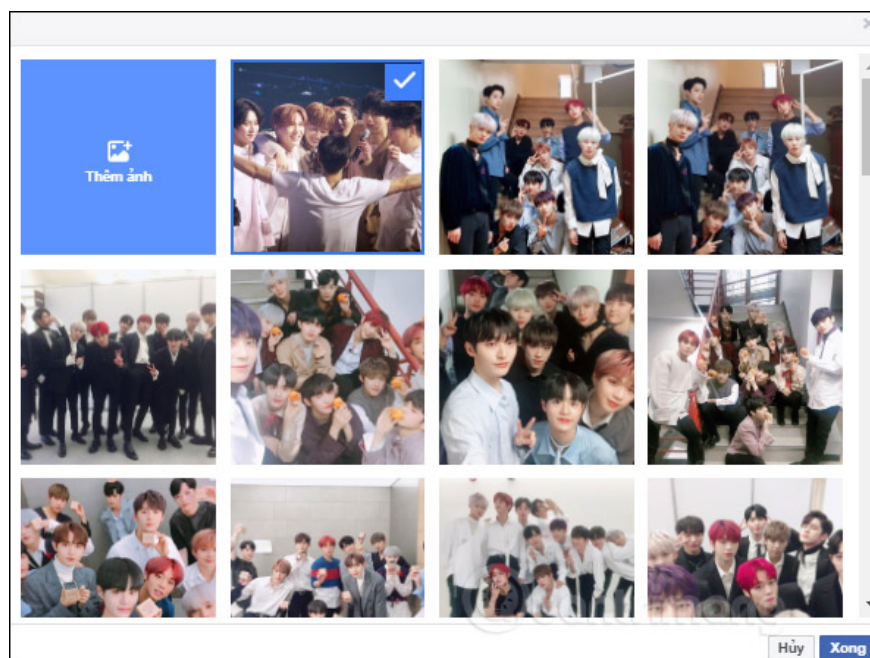

Step 3:

First of all, the user will select the video display image. By default Facebook will use your current avatar. If you want to use another image, you can click **the image icon** .

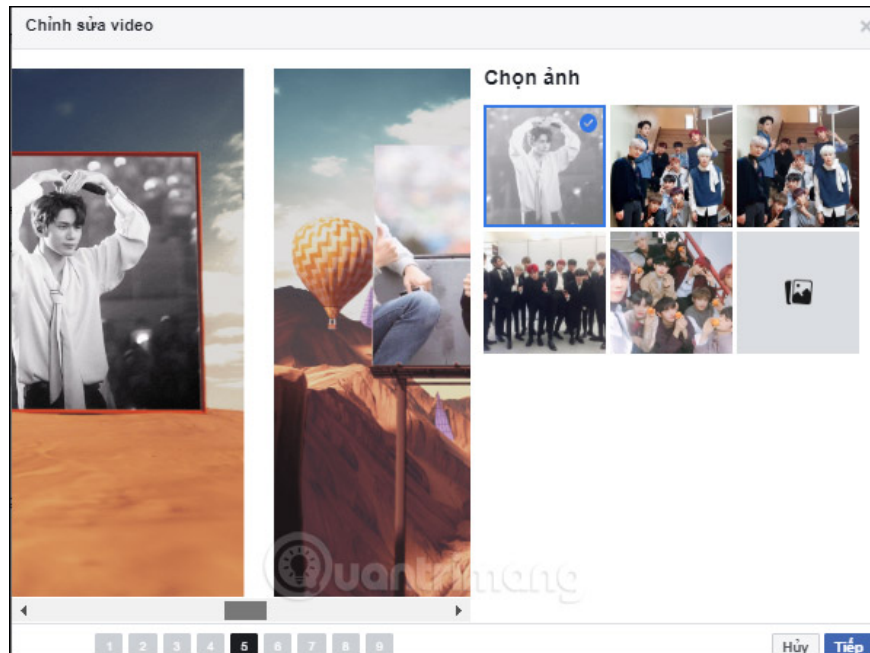

Show all photos posted on Facebook to choose new photos.

Step 4:

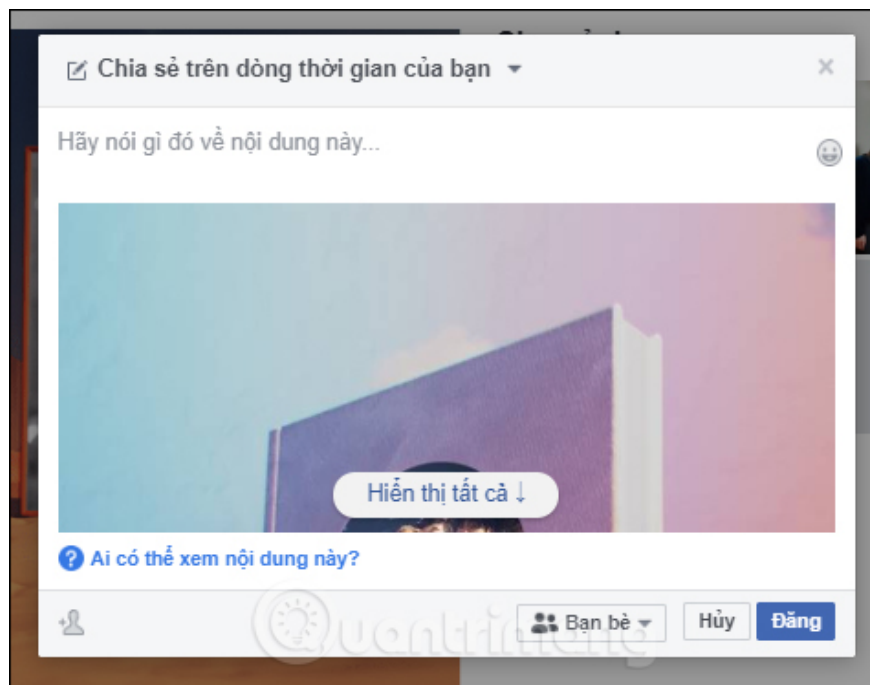

There will be all **9 images to change** in the video. These images will be randomly selected by Facebook, or we can change them as you like with the same procedure.

Each image will be integrated into different frames, with colorful and artistic backgrounds. After editing, press **the Next button** below.

Step 5:

Finally, we will **post the Year In Review 2018 video to Facebook** to share with friends.

Step 6:

Also in this interface when clicking on **the Options section**, users can use some additional filters for the feature.

The section People will use to filter those who do not want to mention it in this Old Year. With Day Range will filter the time period that does not want to be displayed in this Old Year.

Year In Review 2018 on Facebook has a simpler video editor, there will be no longer friends to appear in the video like before. Let's create a meaningful video on Facebook for a year full of memorable memories with your relatives and friends.
