

Looking through the people who bought the first iPhone X in the world, will soon return to Vietnam

This day has arrived, iPhone X will expose in 55 countries, but because of the time difference, there will be a place to receive goods in advance, a place to receive the goods later. Australia and New Zealand are the first countries to hold hot iPhone X hands.

This day has arrived, iPhone X will expose in 55 countries, but because of the time difference, there will be a place to receive goods in advance, a place to receive the goods later. Australia and New Zealand are the first countries to hold hot iPhone X hands.

In New Zealand, there is no Apple Stores, so Apple fans in Australia will be the first to get this expected phone. At 9:00 am, those who had reserved iPhone X in New Zealand also received the goods.

The first people to buy iPhone X in Sydney took photos in front of the store

The first person to buy iPhone X was Mr. Mazen Kourouche who took a selfie photo at an Apple store in Sydney, Australia.

Apple promises to have enough goods for those who come to buy, but I'm afraid it won't be enough. In many places, long lines of people are waiting in line before opening for sale.

The iPhone X is on display at the Apple Store in Tokyo, Japan with more than 2,000 people waiting in line

Singapore is the only country in Southeast Asia on Apple's first global open sale list. Neighbors like Thailand and Vietnam will also soon have goods to resell through companies or notebooks. It is known that the first two portable iPhone X from Singapore will return to Vietnam soon.
