MXH Lotus will be officially launched at 18:30 on September 16, 2019 at the Viet-Soviet Friendship Cultural Palace and the event will be livestreamed on the app, Lotus homepage, a number of other channels and media platforms.

The page interface introduces the personal information of each user account on Lotus social networks.

Starting September 16, Lotus Social will release an open beta (Open Beta), lasting for 3-6 months. In the process, Lotus social network will complete the software details, fix minor errors, expand new members, update user terms based on user feedback .

1. Vietnam is about to have Lotus social network, which revolves around content, giving tokens to users
2. How MXH Lotus protects users, has a "green tick" for authenticating the owner, not selling user data
