

Macromedia Flash - Strange planet

This tutorial will show you how to create a moving planet image in a very simple way. You can fully practice in Flash.

This tutorial will show you how to create a moving planet image in a very simple way. You can fully practice in Flash.

Step 1. Create a file with the parameters shown in Figure 1:

Figure 1

Step 2. Select **File> Import> Import to Stage** , go to the folder (**system drive**) : Documents and SettingsAll Users.WINDOWSDocumentsMy PicturesSample Pictures select the picture named **Sunset** (see picture 2a, 2b)

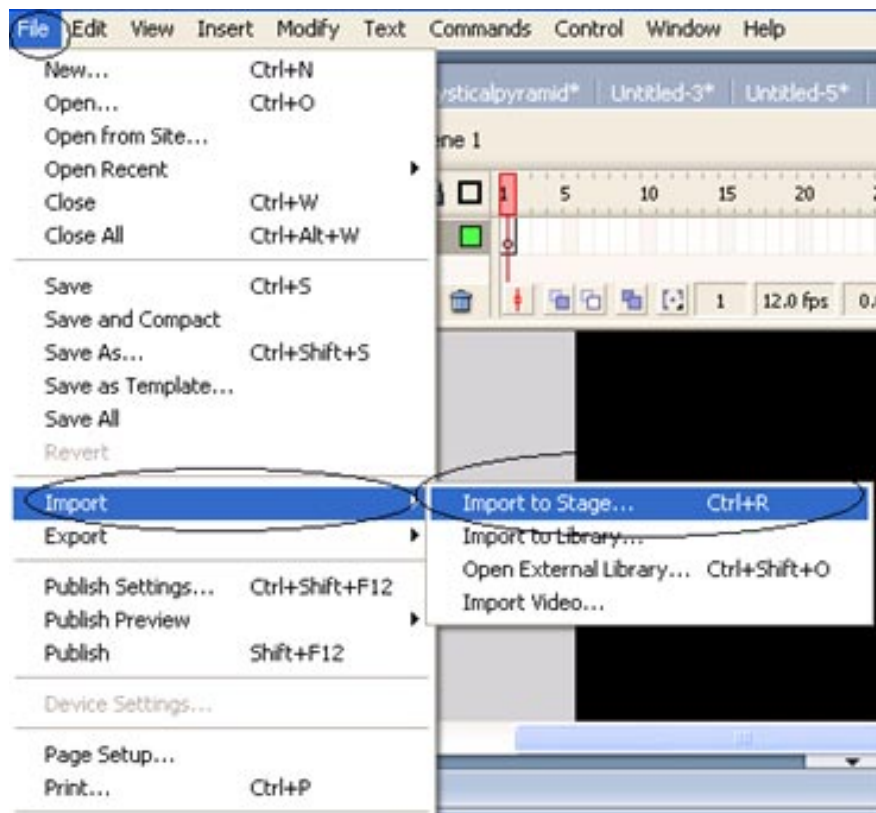

Figure 2a

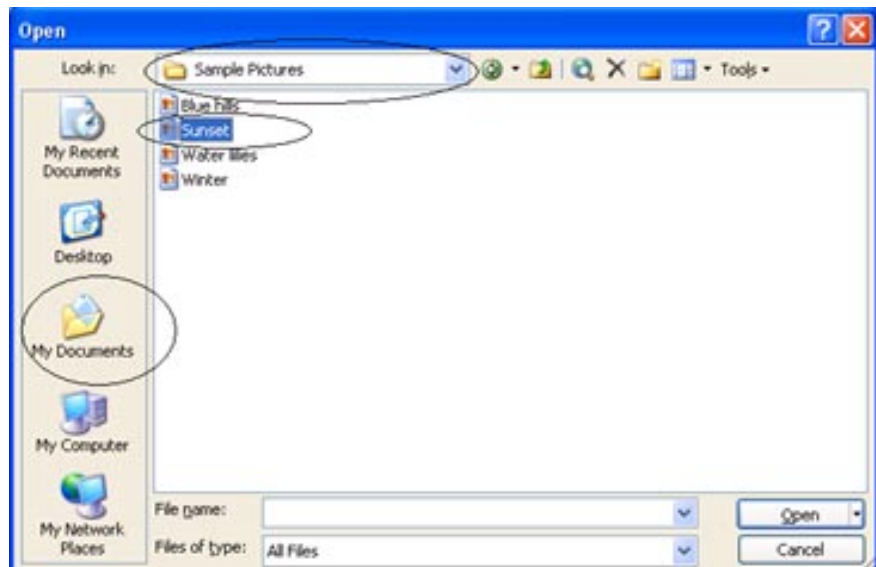

Figure 2b

Step 3. Select **Window> Align** to open the **Align** panel, and select the 3 items shown in Figure 3 to make sure your image is in the middle (see Figure 3a, 3b).

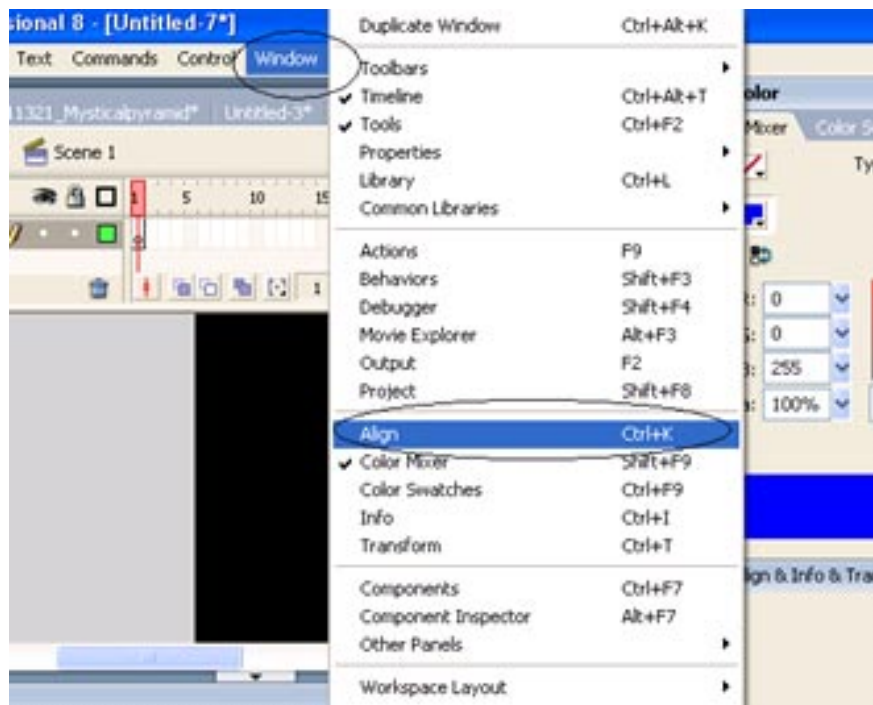

Figure 3a

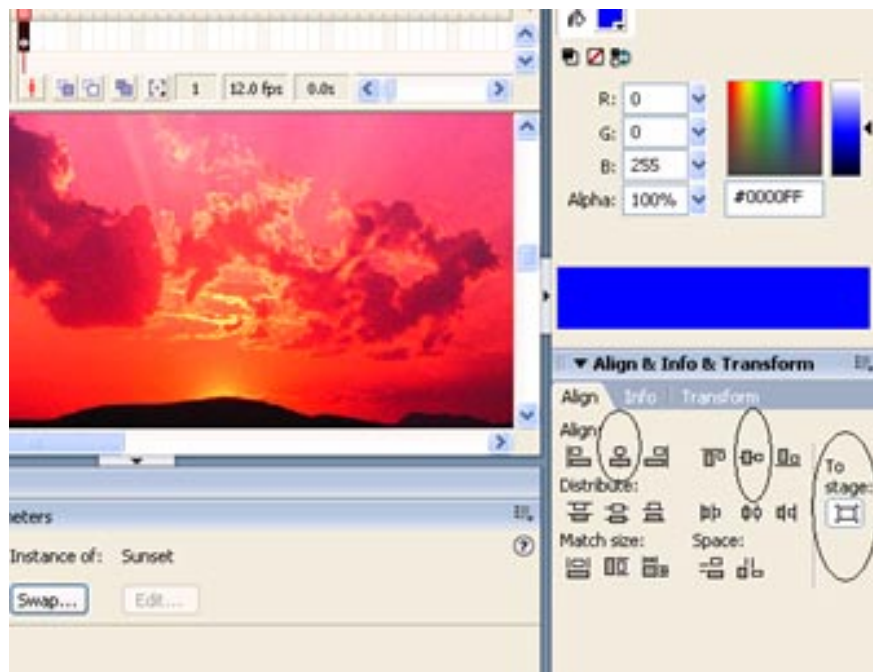

Figure 3b

Step 4. Right-click on the image and select **Convert to Symbol** . (see Figure 4).

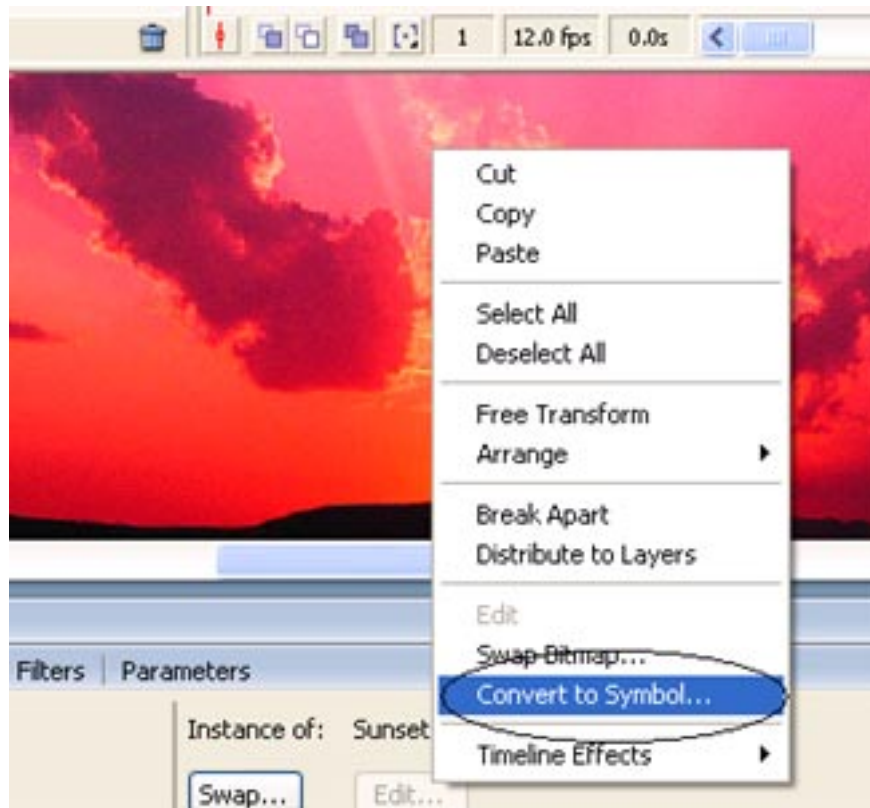

Figure 4

Step 5. In the dialog box that appears, select **Movie Clip** and click **OK** (see Figure 5).

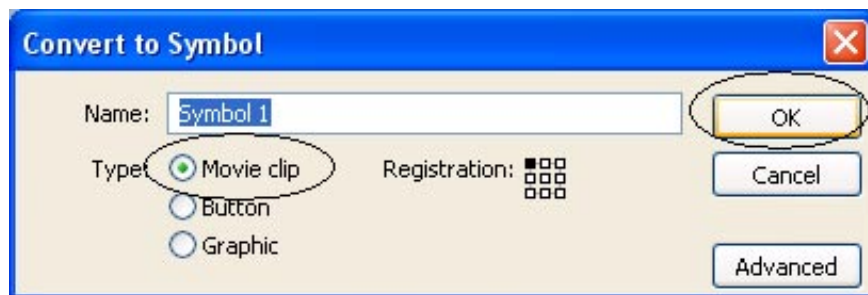

Figure 5

Step 6. Double click on the newly created **Movie clip** to enter it (see Figure 6).

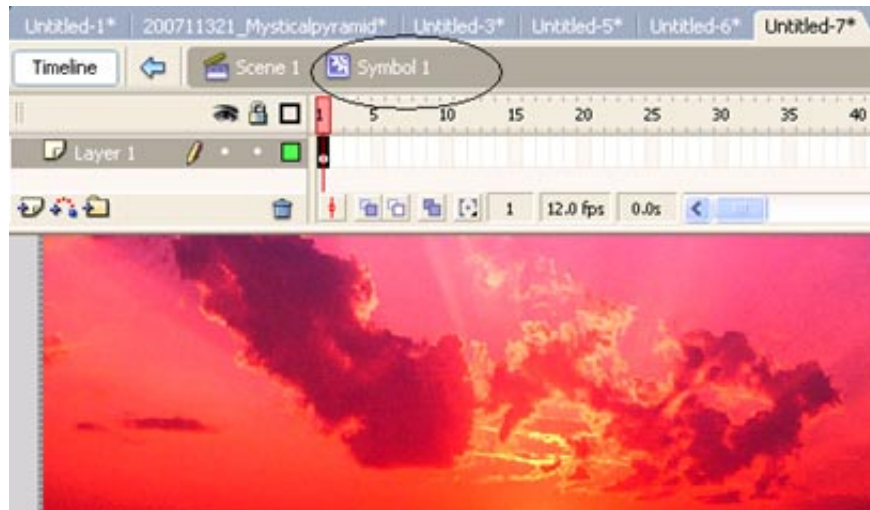

Figure 6

Step 7. Right-click on File 20 and select **Insert KeyFrame** (see Figure 7)

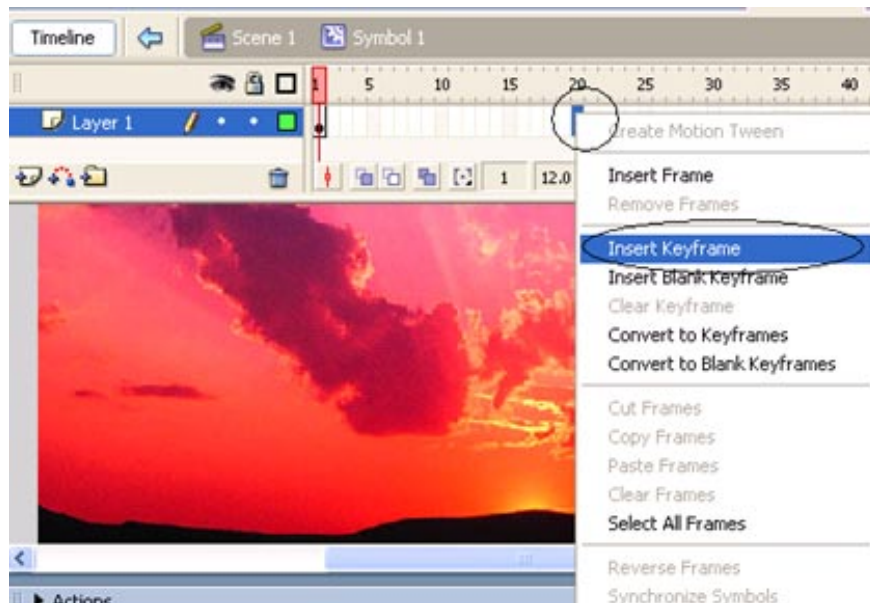

Figure 7

Step 8. Right-click anywhere between Frame 1 and Frame 20 and select **Create Motion Tween** (see Figure 8).

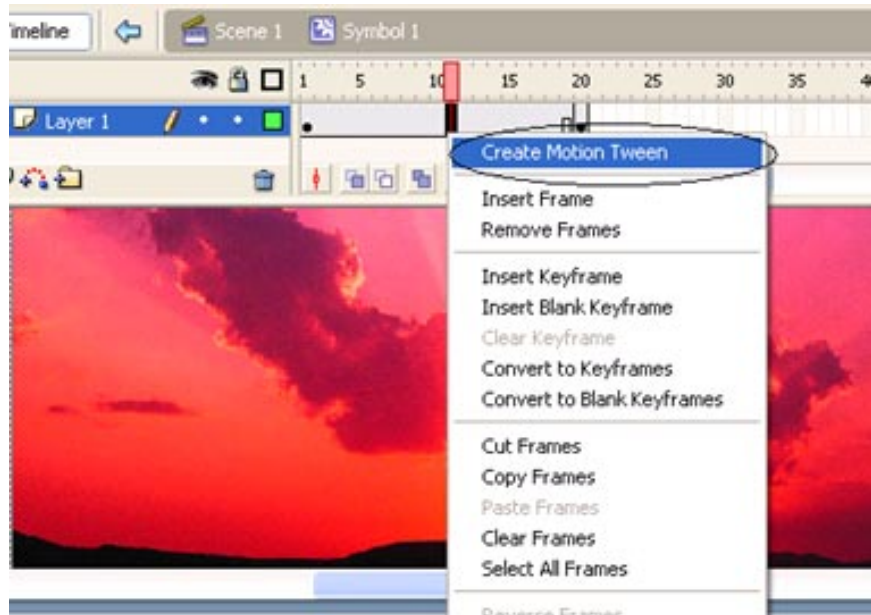

Figure 8

Step 9. In the **Rotate** section of the **Properties** panel select **CW** (or **CCW**) (see Figure 9).

Figure 9

Step 10. Click **Scene 1** to return to the **Timeline** of Scene 1 (see Figure 10).

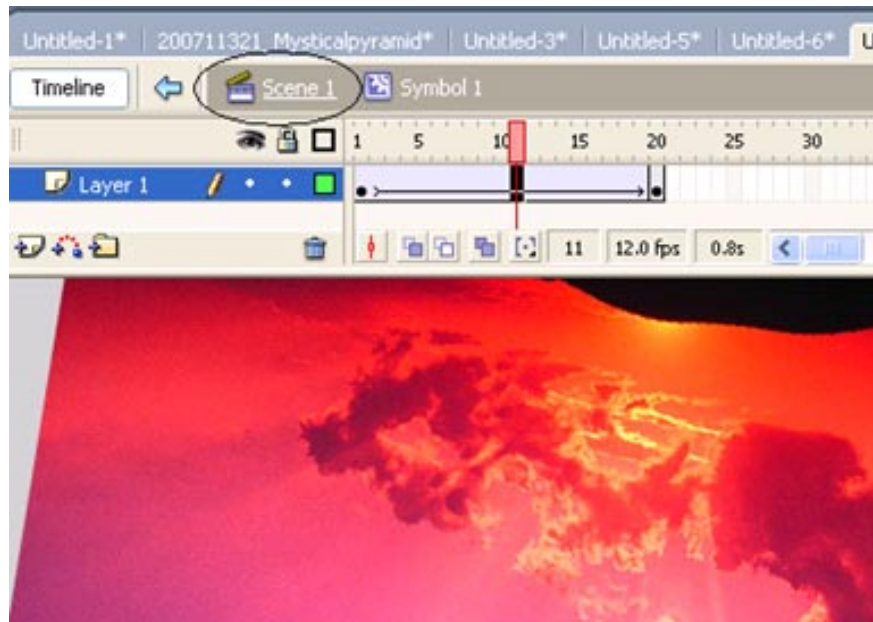

Figure 10

Step 11. Create a new layer (see Figure 11).

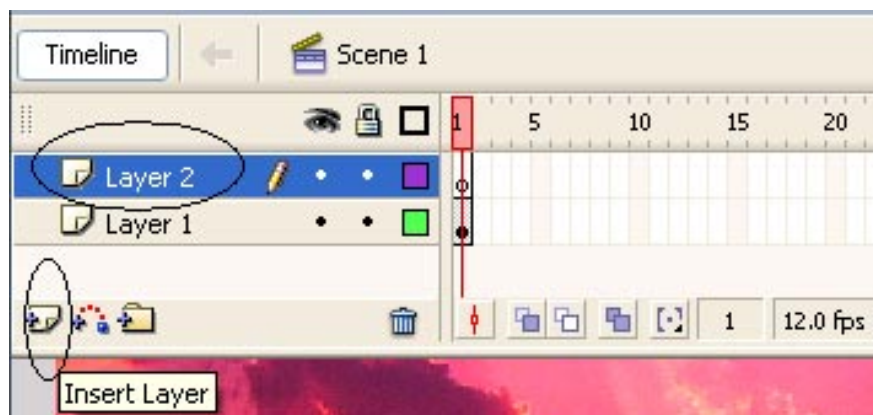

Figure 11

Step 12. At Frame 1 of the new layer, select the **Oval Tool** , remove the border color, select any color and draw a circle (press the Shift key while drawing) (see Figure 12).

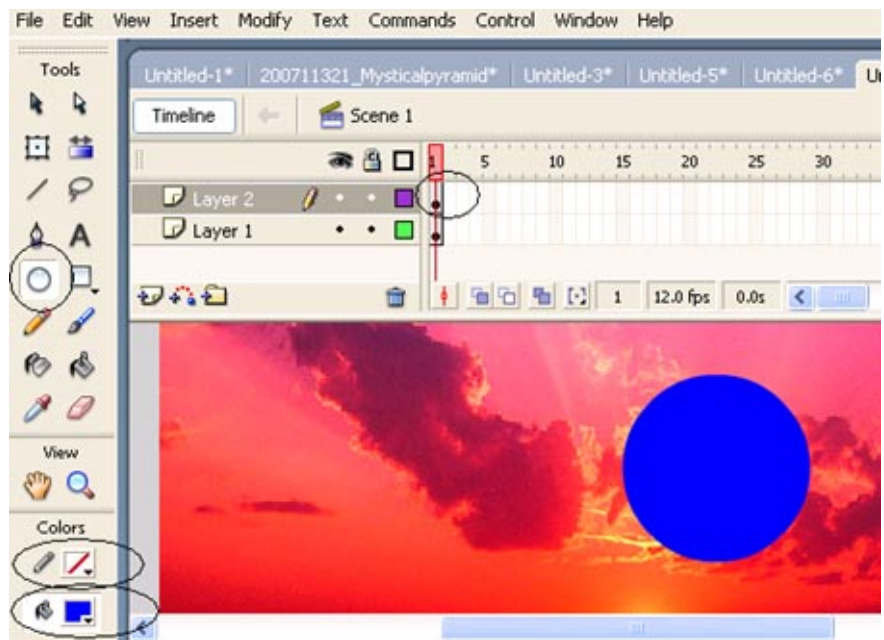

Figure 12

Step 13. Click on the new circle drawn in the **Align** panel and click on 3 items as shown in Figure 13

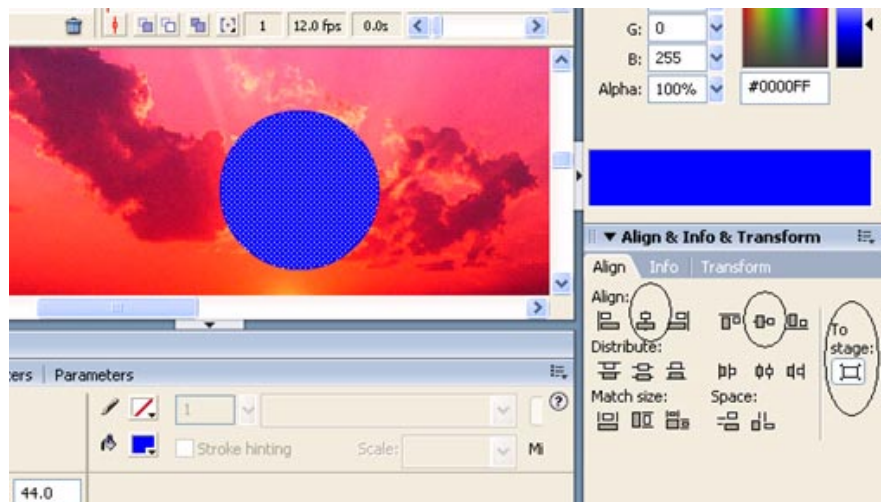

Figure 13

Step 14. Right-click on **Layer 2**'s flipping paper icon and select **Mask** (see Figure 14).

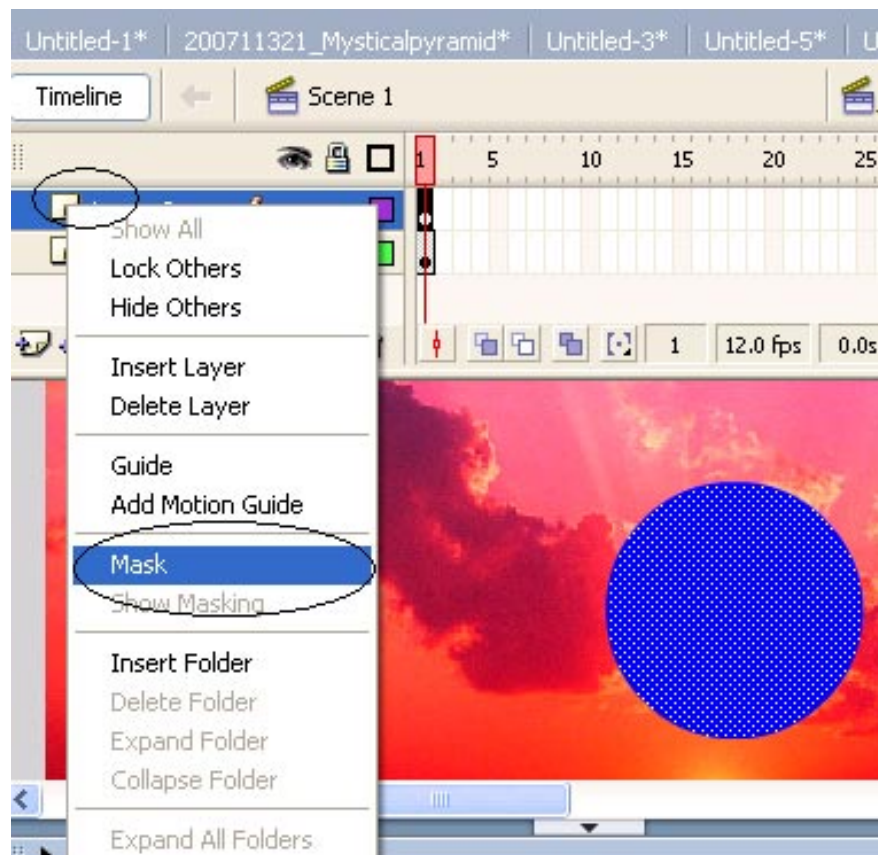

Figure 14

Step 15. Press **Enter + Ctrl** to check the result.

Download the sample file !
