Step 3 : Your 20/10 greeting card has been created. There are 2 options for you here:

1. **Save photo :** Download the card to your computer.
2. **Share Facebook :** Share on **Facebook** social network.

We choose **Save photo**

Step 3 : You can send photos to your loved ones via chat apps or share them on other social networking sites.

Another 20/10 card template:

So with just 3 simple steps you have designed your own greeting card 20/10 with extremely meaningful wishes for your loved ones.

The downside of this online card creation page is that it does not allow you to change the background image, the card template is also quite limited. In return, the website has many card categories, you can choose other cards.
