He will take care of sweeping the house

I'll take care of the laundry

Would you like to drink

Near market or far away market

He was out before

You know my favourite dish

I just have to wait and see

I rubbed cream rouge

He picked vegetables and wash the rice

I leisurely read the newspaper

He made his hands stir-fry

You can do it yourself

Don't worry about me

Kids slip dresses only

Give me a stitch

He bought a bunch

Sadly, I kept tasting

My girlfriend came

Just talk to carefree

I took a bath for the guy

Then he lulled it to sleep

Screen cover player

Listen to me shout "come in"

One day, baby

24 hours
