

Microsoft announces list of best Microsoft Store apps and games in 2024

Similar to other app store platforms, Microsoft Store has its own evaluation criteria for apps on the platform by category.

Similar to other app store platforms, the Microsoft Store has its own evaluation criteria for applications on the platform in each category. This is the third year that Microsoft has encouraged the community to nominate the top Windows applications from the Microsoft Store. This is also a worthy recognition and honor that the company wants to give to the development teams behind the success of quality software products on its platform.

Windows is an open platform that allows all types of applications to thrive and integrate. From individual developers to decentralized projects, open source initiatives, or large corporations, the Microsoft Store's dynamic community is constantly building innovative, engaging, and practical applications for Windows users around the world.

Here is the list of apps (and their respective developers) honored with the Microsoft Store Awards 2024:

1. Category AI - dJay Pro Algoriddim (Algoriddim)
2. Lifestyle Category - Diarium Jornal & Dairy (T. Parti)
3. Category Personal Finance - TradingView (TradingView, Inc).
4. Business Category - Gamma (Gamma)
5. Education Category - Typing Land (higopage)
6. Productivity Category - Todoist: To-Do List & Planner (Doist Inc).

7. Music Category - Apple Music (Apple Inc).
8. Health & Fitness Category - F.lux (F.lux Software LLC)
9. Medical Category - Complete Anatomy 2024 (3D4Medical)
10. Category Developer Tools - on-my posh (jandedobbeleer)
11. Social Category - Pinterest (Pinterest Inc).
12. Creative Category - Adobe Express (Adobe)
13. Game Genre - Asphalt Legends Unite (Gameloft)
14. Rising Star Genre (new on Microsoft Store) - Endel Music: Focus, Sleep, Relax (Endel Sound)

Each Microsoft Store Awards 2024 winning app will receive an exclusive badge, as well as free promotions on the Microsoft Store homepage.
