

MobiFone launches a search service and calls for free test score notifications with smart operator

As soon as points are available, MobiFone's system will automatically call to inform students and parents according to the information registered through the 090 number thanks to the artificial intelligence voice.

Recently, MobiFone has cooperated with Lao Dong Newspaper, launched a search service and called for the test score notice in the 2019 National High School Exam for free for candidates and parents. This service is developed based on Mobifone's artificial intelligence application processing platform.

On July 14, 2019, the Ministry of Education and Training will announce the results of the 2019 national high school exam scores of nearly 900,000 nationals.

As soon as the Ministry of Education and Training announces test scores, parents and students will receive a call to announce their child's test scores.

In order to receive notification points for the 2019 national high school exam for free, parents and students just need to do some simple steps:

Step 1: Visit the link below.

<http://diemthi.laodong.vn/tra-cuu-diem-thi-thpt-xem-diem-thi-dai-hoc-2019.html>

Step 2: Select Register for free test score notification -> then enter the phone number to receive the notification, first and last name of the candidate, the candidate's name and number -> click Register.

The image shows a web interface for checking exam scores. At the top, it says "TRA CỨU ĐIỂM THI THPT QUỐC GIA NĂM 2019". Below this is a search bar with a placeholder "Nhập vào Số Báo Danh..." and a dropdown menu for "Tất cả CỤM THI". To the right of the search bar is a red button labeled "XEM". At the bottom of the interface, there is a purple button that says "Đăng ký nhận thông báo điểm thi MIỄN PHÍ".

Đăng ký nhận thông báo điểm thi ✕
