

Monopoly Casino Review

Online casinos have been the success story of the internet in the last decade. Millions of players have discovered how easy and reliable it can be to have a quick online gaming session.

With the spread of remote access, players everywhere can now enjoy the thrill of a quick game wherever they are.

It could be a game of bingo on the way to work or a relaxed hand of poker on the sofa at home – because today a wide range of online casino games are available any time, any place.

The casinos themselves have become much more reliable and trustworthy in recent years, investing their soaring profits in robust technology and ultra secure transactions.

All gaming sites are now tightly regulated and controlled so players can always feel reassured nothing will go wrong with their gaming experience.

But which is the best casino to choose?

With so many casinos competing for the lucrative growing market, the internet is full of conflicting reviews for gaming sites. It's hard for new players to know where to go to click and play.

So we took a serious look at the widely-praised Monopoly Casino site to investigate whether it lives up to the hype. It is a widely-praised popular site that certainly looks good – but is it good in practise?

It doesn't take more than few seconds to see that it is certainly a well-presented and popular operator in the current UK online world. It takes a little longer to discover what it really offers players.

What is Monopoly Casino really like?

The first thing to note about the site is that it prominently features plenty of games themed around the classic Monopoly board game – that's the one where you get hotels on Mayfair and 'Go to Jail!' cards.

You'll notice the a range of clever and entertaining slot games based on this board game as soon as you land on the site.

There's even a unique Monopoly Live game. In this the players can roll around a digital version of the famous square board.

They have the chance to pick up serious cash prizes and prize multipliers as they click round the different squares of the Monopoly board.

What else is available?

More interestingly for most players, Monopoly Casino also offers a wide range of casino games. Look out for the classic roulette and blackjack options.

In fact, you can find more than 500 different games on the Monopoly site. These now also include popular slingo games – these are like a fun combination of bingo and slots.

And other good gaming options include live roulette and Crystal Maze bingo.

What bonuses are offered?

There's a simple free-spins offer at Monopoly that gives newcomers a chance to win as soon as they sign up. They can cash out their winnings whenever they want.

Look out for a very enticing 30 free spins slot enticement. All you have to do is use this bonus within 30 days.

Daily promotions give players the chance to win £750 and 50 free slot spins. Following the style of the Monopoly board game, players throughout the site can stumble upon a free random 'Community Chest' jackpot at any time.

Is it a reliable site?

Monopoly Casino is a part of the successful and award-winning Gamesys Group. This is one of the most established and reputable online gaming operators.

The Group is licensed by two of the highest-rated bodies in the industry, the UK Gambling Commission and the Gibraltar Gambling Commission.

Players will appreciate the bright design and the site's slick and well-presented graphics. The games are the creations of some of the industry's top software developers.

The Monopoly site offers impressive free bonuses for newcomers and a daily selection of free games where you can win without even placing a bet. There's an invite-a-friend bonus and daily free boxes to open.

The security features are state-of-the-art too, making this a reassuring choice for any players looking for a new online gaming site.

What do the reviews say?

Monopoly has received some very positive reviews from independent players . 'Hassle free', 'very reliable' and 'the most speedy withdrawal' say recent postings on Trustpilot.

Others say: 'The apps are smooth' and 'the best selection of all the top games'. One independent reviewer wrote: 'Withdrawals are so quick, within a few hours money was in my bank, quickest payout I've ever received from

any casino site.'

Others praised the free spins and told how much they had won from the free games.

Another wrote: 'I have been on this site a few years now and NEVER had any problems at all!And I've even noticed the last 3 times I've withdrawn my winnings it has shown in my Paypal less than 15minutes after withdrawal. Fast payouts, great RTP. Can't comment on customer service as I've never had any problems!'

Conclusion

The Monopoly Casino site seems a fine option to choose for both new players and established gamers. Note that the site is particularly well-adapted to playing on a handheld mobile screen.

Monopoly is designed for remote Android or iOS access. It is easy to use on the move – players have to make no compromises on the quality of the games or design.

From our own impressions and those of the independent online reviewers, the casino site seems a very sensible place to start having some serious fun.
