

Need a good laugh? 53 funny things to ask Alexa to raise your spirits

Amazon Echo can lift the mood with these fun trivia questions and jokes.

In between the worry, there's the boredom, a result of staying home most of the day, every day. And while you've always used your Amazon Echo (\$100 at Amazon) for the basics like turning on the TV or playing music, you did you know you can also turn to it for entertainment?
