## **Instructions for redeeming codes in Basketball Zero**

### **Quick Guide**

You can easily enter giftcode in the game by following these steps:

1. Join the developer's Roblox group and like the game.
2. Open the game Basketball Zero on the Roblox platform.
3. Tap the Codes button at the bottom of the screen.
4. Enter the code in the Enter code box.
5. Press the Redeem button to receive your reward.

### **Detailed instructions with pictures**

**Step 1:** Select the Codes icon right below the game features.

**Step 2:** Enter all the codes in the code table above into the code content box (1) and select Redeem (2) to redeem the code for a reward.

## How to get new giftcode

You can update new code in two ways:

1. Bookmark our page and check back often for new codes. TipsMake.com will update you with the latest game giftcodes, not only for Basketball Zero but also for many other Roblox games.
2. Follow the developer on social media channels like Discord and Youtube under the name Chrollomedias.

## Reasons why the code is not working

If the giftcode you entered does not work, it could be due to the following reasons:

1. Enter incorrect spelling, capitalization, or punctuation.
2. Copy paste has extra spaces.
3. Code has expired or been revoked.

To be sure, you should copy and paste exactly as in the table above. Also check the giftcode carefully to see if there are any spaces at the beginning and end.
